Andrea: I still haven't got that picture yet.  
And I want it. Even if I have to come  
out and get it from you. We sure had  
some wild times. Good luck in what ever you  
do.

Andrea,  
I'm glad I had  
you in French last year  
otherwise, I may have never  
got to know you. You're really  
lots of fun and a great asset to  
your class. Lots of luck always  
Love  
Betsy Rodman

Andrea,  
Thank you for being  
such a sincere friend. It  
has been a lot of fun knowing  
you these past two years. I know  
that you will succeed in what  
ever you do.  
Best wishes,  
Blaine Walker

Dear Andy,  
We've gone through so much  
together this year - with your  
precious help I made it.  
You're such a wonderful friend, and  
I think the world of you.  
How can you tell that?  
I think you & I  
have a deeper understanding  
which can't be  
expressed in words.  
Thanks so much  
for being there  
when I needed you  
& just for the fun  
times  
Love always,  
Cindy J.

Andrea, like your  
friendships, life is  
trying to express your appreciation of  
it is almost impossible. Such is the case  
between you and I. Though we didn't have  
any classes together this year, for which I'm sorry,  
the moments we shared together have  
you were enough to convince me that your smiling face was  
back in every future happiness. And I know this is true. I feel  
with as much respect as I've gained couldn't help but to  
enjoy that success.

Much love,  
Steve  
(William)

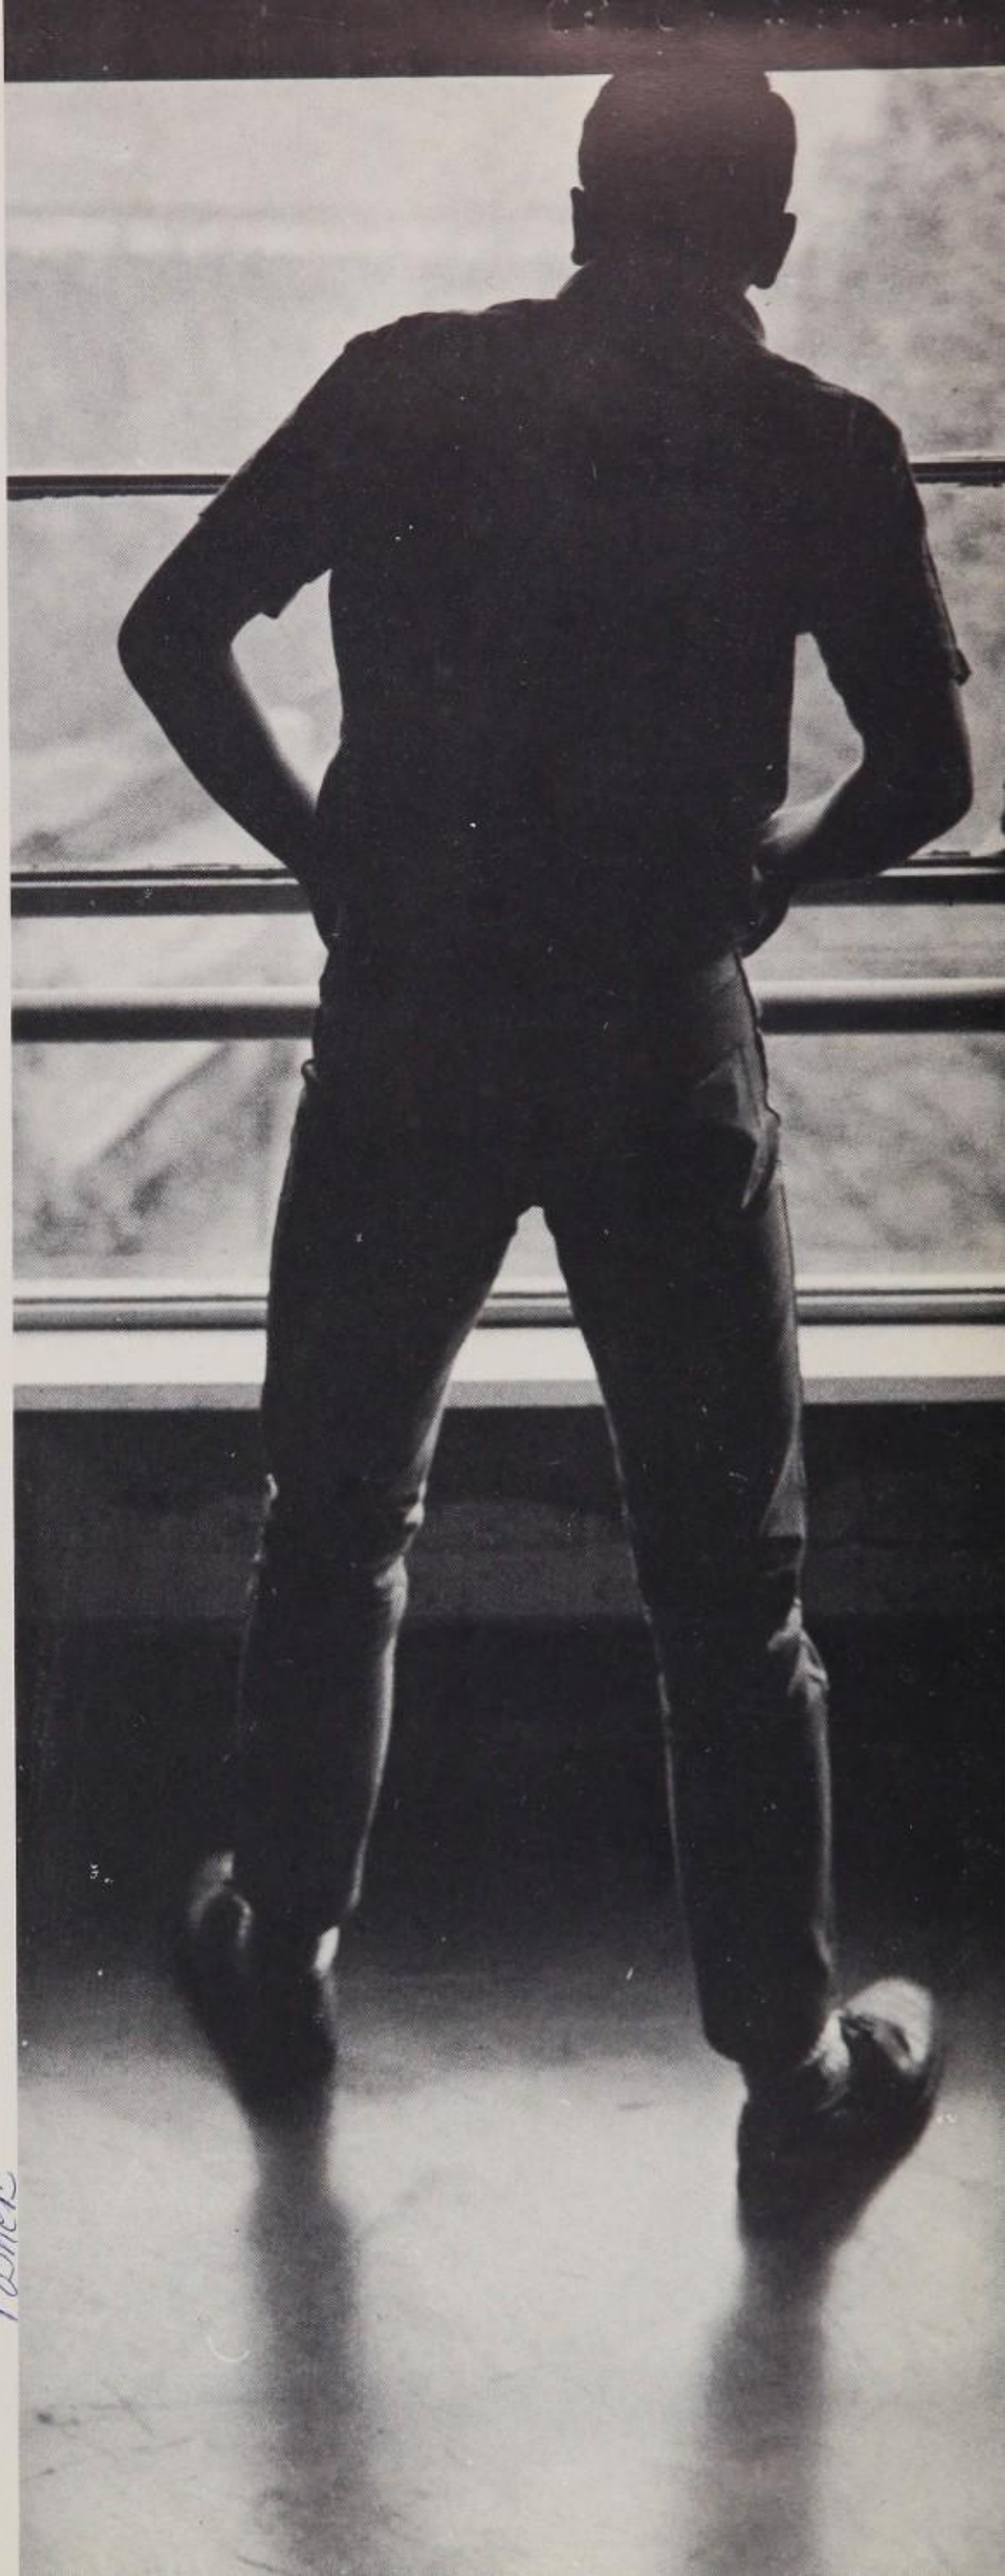

Andrea,  
 I had a great  
 time in class with  
 you this year even  
 though you always came in  
 late. I wish you the best of  
 luck next year at college. Have  
 a wonderful summer.

Born Dec. 29, 1946

Died Sept. 11, 1965

He knew only youth . . . for he lived youth's complicated life of involvement. He probed the many unanswered questions in search of himself as a unique individual. To him there was a value in hard work, understanding, contributing leadership and friendship to us at Stadium.

To Mike and the youth he expressed, this book is dedicated.

## ADMINISTRATION

# Administrators complete successful year

AL HAYES . . . *Principal*

OUR PRINCIPAL . . . A friend of the students, one truly interested in the problems of youth, one never too busy to listen and to be of assistance when needed is our principal, Mr. Hayes. His friendly, forceful, and unbiased guidance made this year interesting and full of challenges. Physically, he was a tall and robust person with a sincere smile, although managing to use firmness whenever necessary. Yet, he possessed a certain type of affection for the students as individuals. The leadership abilities, which he so successfully administered at Stadium, were only a modest assessment of his capabilities.

Many school-sponsored activities and social events were made possible because of his warmhearted support and co-operation. Genuinely devoted to the improvement of scholarships and high school curriculum, he worked unceasingly for the welfare of the students and for the

advancement of their academic and moral standards. In assemblies, Mr. Hayes was always willing to talk to the students for their benefits. He was responsible for the everyday occurrences at Stadium and without his guidance many highlights of the year would have become a failure.

Being a great advocate of higher learning, he commended our new Tacoma Community College, which has opened this past year. In addition, he stressed that each student prepare himself for college or vocational training of some type in order that one may live better in our present-day society.

Much of the success of Stadium was due to the goodwill and friendship, tremendous leadership qualities and inspirational values of our devoted principal, Mr. Hayes.

# by inspiring students toward higher goals

VERN L. WHEELER . . . *Vice Principal*

VICE PRINCIPAL . . . Stadium High School was indeed fortunate in having Mr. Wheeler, a former counselor at Wilson, as one of its vice-principals. In this, his first year at Stadium, he earned the admiration and respect of all the students because of his understanding nature.

Mr. Wheeler came to Stadium with an impressive background of education and experience. He earned a Bachelor's Degree in education at the University of Alberta and did graduate work at several universities. His past experience as teacher, principal and counselor has been an asset to him for the position of vice-principal.

In addition to his many responsibilities as vice-principal, some of his duties were supervising inter-school communications, guidance department, extra curricular activities and directing the affairs of attendance, discipline and tardiness. He constantly supported worthwhile school projects proposed by the student body of Stadium.

Despite his many duties, he always greeted one with a pleasant smile and was willing to be of help whenever needed. He will be remembered for his sunny disposition and zeal. Mr. Wheeler's influence and interest in the students will be an inspiration to them long after they have left the old Brown Castle.

VICE PRINCIPAL . . . Stepping into the newly created second vice principal's office this year was Mr. Buffalo, a former Stadium counselor. Mr. Buffalo came to Stadium with Bachelors' Degrees in art and education from Pacific Lutheran University as well as a Master's Degree in education from the University of Puget Sound. Since then he has been a teacher and a counselor for the Tacoma Public Schools.

The knowledge and experience gained through counseling students has been of great value in the performance of the responsibilities of this post. As Stadium's vice principal, he supervised student discipline, assisted the principal in numerous meetings, communicated with parents when needed, and was a coordinator of assemblies and student programming, together with other phases of curricular activities. Furthermore, his helpfulness aided students to attain their goals in life.

Mr. Buffalo, gifted with a congenial personality, modest temperament, and a friendly hospitable manner always made one feel welcome. His outgoing effort, good humor, and unfailing patience were qualities which were especially beneficial to all the students of Stadium.

JOHN H. BUFFALOE . . . *Vice Principal*

# Office staff organizes; aid students and clubs

OFFICE DEPARTMENT . . . Stadium's smooth functioning office staff has kept the school running smoothly and efficiently throughout the past year. This expert office staff not only aided student clubs but made sure all financial matters were adequately handled. This excellent staff consisted of Mrs. Hook, the activity clerk, who was active preparing announcements for each morning's bulletins, recording club funds and issuing purchase orders. Also on the staff was Mrs. Keizer, guidance office secretary, who assisted the counselors with student programming and checking the necessary credits for graduation. Also Mrs. Wetmore, secretary to the principal and the two vice-principals has proven to be indispensable.

A new addition to Stadium's staff this year was Mrs. Contos, who assisted as secretary to our college counselor, and worked with Mrs. Wetmore in the main office.

# Counselors impart guidance to all students

Mr. Van Slyke helps students schedule the necessary subjects for graduation.

COUNSELORS . . . Stadium students were successfully advised this year by Miss Sohlberg, junior class counselor, and two new class counselors, Mr. Clark, sophomore class counselor and Mr. Van Slyke, senior class counselor. These counselors were always ready to help students with their class schedules, inspire them on future plans, and to supervise all the affairs of the guidance department.

Stadium's college counselor was Miss Forbes, who aided the college and career bound students. It was she who had access to scholarship information, application blanks, college test requirements, and information regarding the numerous colleges throughout the nation. Often she helped one to decide on college or a career. Our counselors were vitally important to Stadium for their guidance and advice helped students gain a better outlook and understanding of the future.

# Home Ec. holds high standards in domestic skill

In the holiday spirit, senior girls foods class offer faculty their special Christmas delicacies.

HOME ECONOMICS DEPARTMENT . . . The art of sewing enriches one's life whether you sew to dress smartly, for personal pride, for a delightful sense of accomplishment, or as an economic necessity. In clothing girls were taught how to construct quality-looking clothes easily and in a minimum of time, yet inexpensively.

The food classes were shown how to prepare the many appealing dishes which grace our dinner tables today. Subjects such as table setting, menu planning and preparation, food nutrition and canning were presented.

A clothing or foods class is mandatory for graduation. These classes will be especially advantageous to girls in the future.

## Fine Arts offer awareness to “finer things”

ART AND MUSIC DEPARTMENT . . . Music and art have always been an integral part of America's culture, and the members of these departments have done a notable job in carrying out this tradition.

Mr. Timmerman, Stadium's new band director formerly from Mount Tahoma, has done an outstanding job conducting Stadium's band at half-time shows, parades and numerous places. Mr. Wright, our orchestra conductor, has been a great incentive to his students and the many performances have been greatly enjoyed and appreciated by all who attended. Mr. Margelli, the director of Stadium's vocal groups, has received praise and honors for the performances given by his groups throughout the year. Madrigals, a select group of vocalists, performed songs from the works of old world composers while dressed in costumes of medieval times.

The art department, headed by Mr. Westlin, endeavored to create a variety of art exhibits which were displayed regularly in the library showcase and at the annual art show for the student body.

## Future commercial goal of Business Education

**BUSINESS EDUCATION DEPARTMENT . . .** The Business Education Department offered several courses that were of interest to students who were planning to enter the business world. The main courses in this department were shorthand, typing, bookkeeping, and distributive education. During the first year of shorthand the students learned the basic theory and brief forms of the Gregg shorthand system. In typing, the business students learned to operate the keyboard correctly, and to apply the skills to business letters, manuscript writing, and business forms. The bookkeeping classes learned the basic procedures in record keeping.

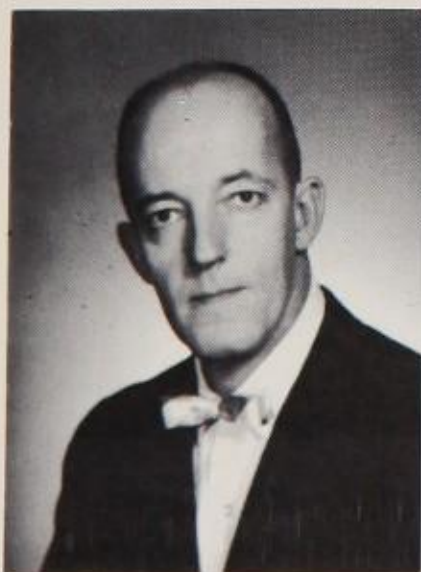

Distributive Education provided instruction in distribution and marketing, concentrating upon the idea of improving service to the customer in all branches of distribution. The student received instruction in distribution supervised "on the job" training, and participation in a local, state, and national club program.

PHYSICAL EDUCATION . . . The feminine trim figures and fine masculine physiques seen in Stadium's classrooms were largely due to the efforts of the Physical Education Department. Physical exercise is also an excellent way to curb pentup emotions and anxieties according to the Physical Education Department head, Mr. Borell. Physical Education, being a graduation requirement, was taken by all students during their Sophomore year, helping both boys and girls to achieve and maintain physical fitness. This program included not only team sports such as basketball, volleyball, and speedball, but individual activities of tumbling, swimming, and trampoline as well.

Here at Stadium, we are fortunate to have a faculty who are concerned and interested enough to give up their time to conduct after-school sports. Intramural sports are a large part of the extra curricular activities, stressing athletic skills.

Sophomore boys learn a lesson in sportsmanship and team work during their extracurricular games.

**ENGLISH DEPARTMENT . . .** With the pressure of college admittance requirements becoming intenser every year, college bound students are developing greater concern for their English classes. The fundamental purposes of all English courses were to help students arrange their ideas clearly, to expand their vocabulary and to express themselves competently.

An interesting technique of teaching English was introduced at Stadium this year. This new idea "team teaching" was a one hour class conducted alternately by Mr. Lewis, Mr. Arpke and Mrs. Karsh. The idea was to give a college lecture course acquainting students with literature from Medieval Times to the Modern Times. Besides the regular English classes, high achievement and advanced placement courses were offered to students of exceptional ability in this subject.

## Science—Never-ending investigation

SCIENCE DEPARTMENT . . . With the increasing importance of science in today's world, the Science Department has broadened to meet the current demands. Under the capable leadership of Mr. Kohler, the Science Department has enriched students' knowledge of nature and continued to develop more effective teaching techniques. To supplement regular class discussions "lab" sessions and field trips were organized. Balancing classroom and laboratory work, chemistry students with the aid of extensive laboratory equipment, received first-hand experience through experimentation and procedure. To the students of biology, zoology, physiology, and botany, the observation and dissection of new, diverse specimens proved fascinating as well as informative.

Keeping laboratory experimentation running smoothly was the role of the "lab assistant." Other duties consisted of cleaning the lab, washing test tubes, correcting papers, and assisting the teachers in any way.

**MATHEMATICS DEPARTMENT . . .** With the advent of the space age, mathematics has gained increasing importance among the sciences. To meet the demands of this age, the Stadium Mathematics Department, headed by Mr. Jarmon, offered a great variety of courses ranging from general mathematics to the advanced study of algebra, geometry, and trigonometry. To supplement these traditional courses high achievement classes were offered to all accelerated students. These classes included high achievement analytical geometry and calculus, and introduced the "new mathematics."

The goal of the Mathematics Department was to develop in students a mathematical and scientific thinking process. Space travel has opened up a wide horizon of opportunities in mathematical careers. This highly technical age demands young mathematicians of higher efficiency and more complex understanding. Thus Stadium's Mathematics Department has expanded to meet the continuing demands.

**HISTORY DEPARTMENT . . .** Ranging from the discovery of America to diplomatic relations in Viet Nam, the curriculum of the History Department this year endeavored to relate historical situations to today's world. By studying the problems and solutions of the past, the problems of the present can be defined and solved.

The History Department put much time and effort into making the classes more liberal and more college like. Lecture courses with frequent open discussions supplemented by films and outside reading and testing by essay type examinations were emphasized. World Problems involved the history of governments and their problems throughout the world, while Civics emphasized the construction, operation and flaws of individual governments. United States History included the foundation and current affairs of our nation, and Ancient-Medieval History emphasized the history of early European and Asian civilization, while Modern European History dealt upon current events.

**FAR EAST HISTORY . . .** Teaching a college type course, Mr. Richard Sears, for the past three years has directed the unique Far Eastern Seminar. This is a selective course and after-school seminar, where the students are chosen on the basis of their grade point, teacher recommendation, and aptitude test scores.

This lecture course prompted students to observe possible solutions to many world problems and to resolve solutions of their own. Classes in Far East History were designed to encourage students to relate facts and analyze current problems in the light of ancient cultural traditions. Through the seminars, which were conducted after school, the students became acquainted with numerous problems facing people of Asia.

Every spring, small group field trips have explored the archives of the Seattle Art Museum and ended the day with a visit to Chinatown for sight-seeing and dinner. This year's groups enjoyed specially prepared, authentic Chinese banquets at the Hong Kong cafe.

## Language aids foreign cultural communication

FOREIGN LANGUAGE DEPARTMENT . . . Offering one to four years of Latin, German, French, Spanish and Russian, the Foreign Language Department was able to provide a well rounded curriculum for students interested in gaining a further understanding of the languages and customs of foreign countries. The foreign language classes concentrated on giving the students experience in listening to native speakers through the use of tapes, records and foreign exchange students. The ALM tapes were used for drilling purposes in pronunciation and memorization.

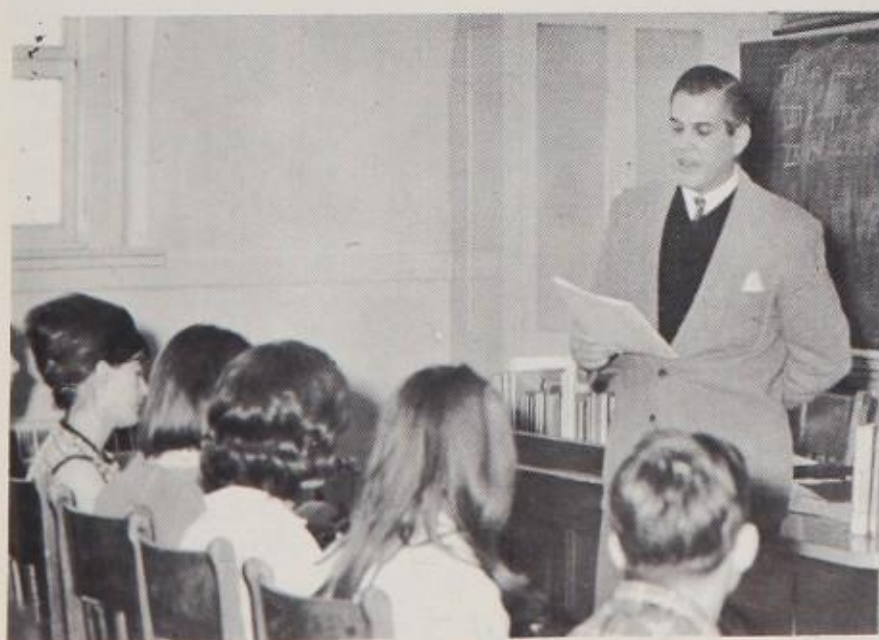

Through the exchange program, students with at least two years of a foreign language may apply to live abroad for one year. Studying abroad, the students use the native language exclusively and become quite fluent during their stay.

CUSTODIANS AND COOKS . . . The custodial staff, headed by Don Buck, was responsible for Stadium's excellent appearance. Putting in many hours, the staff was here from early morning to late at night. Their duties ranged from repairing jammed lockers to keeping the building clean, heated, and in good repair. Keeping the floors cleaned and waxed, along with washing the many windows were a few additional tasks performed. Aside from their regular duties custodial services were given to school dances and programs that occurred after regular school hours.

The cooks also made it possible for students to enjoy their school year. They deserve praise for the well balanced meals that were planned and served each day. Students were able to buy a delicious variety of lunches which contained nutritional value daily.

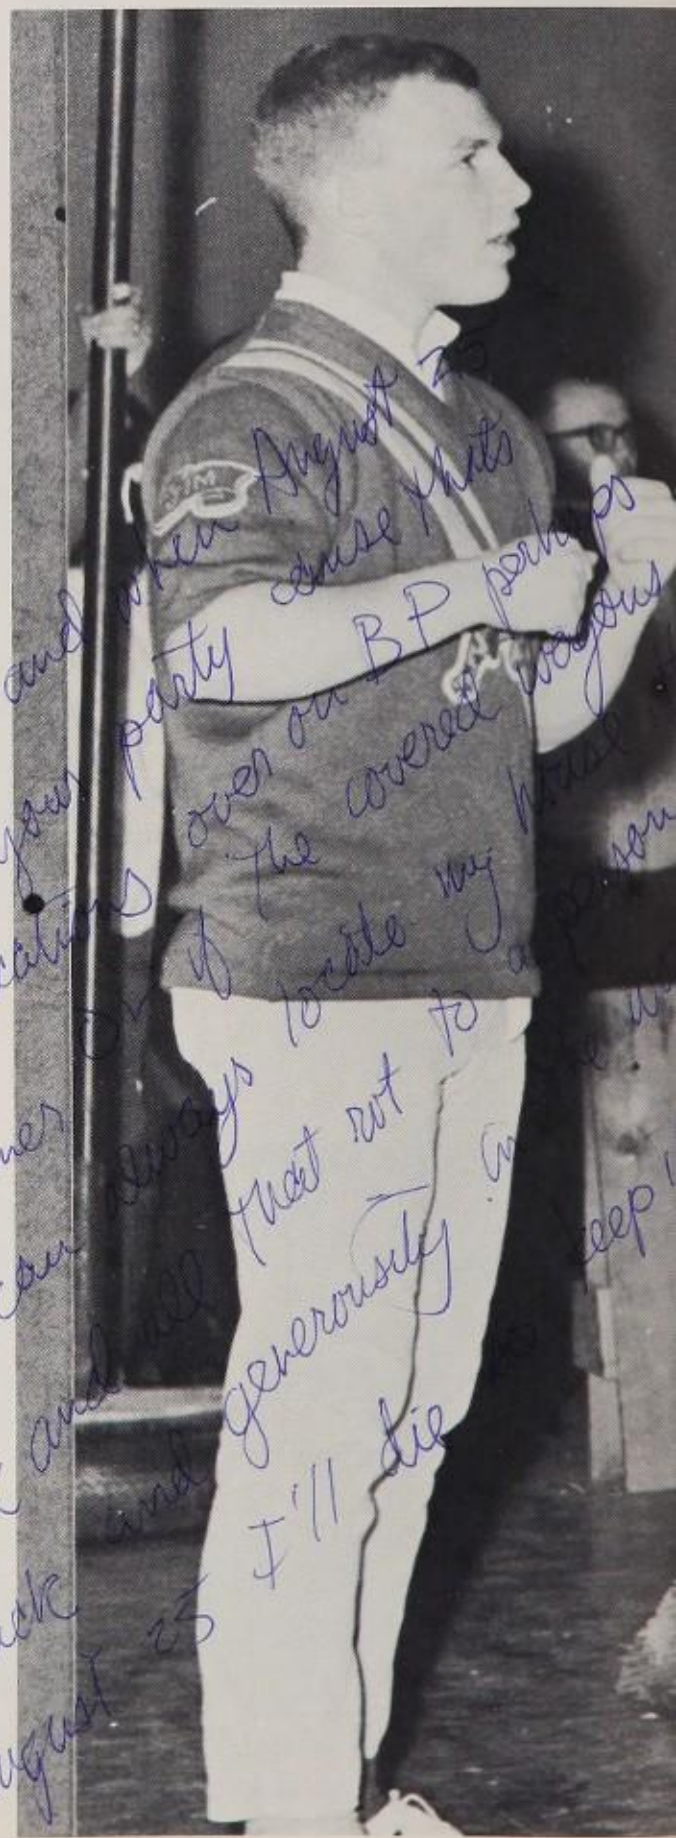

Mr. Buck, head custodian, is forever busy in a very little known but most important part of Stadium, the boiler room.

## Choir hits high note with Christmas Concert

CHOIR AND MADRIGALS . . . This certainly was a busy year for choir director, Mr. Paul Margelli, and his vocalists. Singing in the Thanksgiving Day Assembly opened the year for the choir. Next on their crowded itinerary was the Christmas Concert. This performance showed great versatility as they performed both classical hymns and modern carols. In the spring the choir participated in both the Easter and Spring Concerts. The Spring Festival combined the Acappella Choir with various junior high school choruses which resulted in a very interesting program. In closing their year of performances, the choir participated in the graduation exercises.

Madrigals, Stadium's Elizabethian vocalist group, continued to uphold its fine reputation. They performed medieval songs dressed in the authentic costumes of the day. A few of their many performances were singing at the Sumner Daffodil Princess Selection, entertaining at a national teaching convention and a Y.M.C.A. Convention.

ORCHESTRA . . . At 7:30 a.m. every school day, one could find the Stadium Orchestra busily practicing in the band room. This thirty-one member organization, composed of enthusiastic students, performed several concerts throughout the year. The Christmas concert, opening the festive holidays, was their first performance. In January the Orchestra performed again along with the Band to present an excellent Winter Concert. During the spring the Orchestra combined with the All-City High School Orchestra and performed throughout Tacoma. Winding up their successful year, the orchestra performed their annual spring concert.

Under the direction of Mr. Irving Wright, Stadium's orchestra proved to be very versatile, playing not only classical music but also variations of semi-classical and popular music. This large group was not only a very impressive sight but performed delightful concert pieces.

A highlight of their year was when Byron McGregor was chosen to be first trombone in the All-State Orchestra.

# provide band with colorful year

**BAND . . .** The combined Marching and Concert Band was one of the most enthusiastic and closely-knit organizations at Stadium.

At the annual Winter Concert, band director Mr. Wayne Timmerman announced the honor of having three of Stadium's band members, Steve Ekberg, Vince Ojala, and Jim Foss, chosen to be a part of the All-State Band. Topping these high honors was Byron McGregor, who was selected to play as first trombone with the All-State Orchestra. In the spring the band was active in a competition involving all the neighboring high school bands, putting forth an outstanding performance.

The schedule for May held their annual Spring Concert and their exciting trip to Victoria which was an unique exchange between Victoria's high school musicians and our band. Also on the springtime agenda was marching in the Daffodil Parade, and to close the year, they played at Commencement Exercises.

**BAND ACTIVITIES . . .** New things happened to the Stadium Band this year. First on the list was new band director, Mr. Wayne Timmerman, who was transferred from Mt. Tahoma High School. Under his apt direction the band had outstanding accomplishments. Being able to perform in beautiful, new uniforms was the second exciting feature of the band's year. The sight of the band marching in these exquisite uniforms was a great reward for all the hard work that went into raising money for this project. Their annual Almond Roca Sale helped pay off the huge debt on the uniforms. Also the band had a rough marching season doing six half-time shows for football games. They climaxed the season with the big annual Turkey Day half-time show which was done in joint co-operation with Lincoln.

Included in their various activities was performing on Tacoma Day at the Puyallup Fair, taking a trip to Canada to compete against other Northwest bands and closing the year with Commencement Exercises.

## Tigerannas perform unusual routines

**TIGERANNAS** . . . Led by their "top flight" president, Linda Anderson, this year's Tigerannas did a superb job of marching and arranging dance routines for half-time performances at home football and basketball games. Two outstanding performances done this year were a routine to the tune of "Bonanza" and a clever dance to "Goldfinger."

Many obligations were placed on the drill team. Each girl was responsible for making her own outfit, consisting of a short white skirt, blue jacket and blue vest. The most pressing obligation was making the dreaded 7:00 A.M. practices — no matter what the weather was like!

A few of their various projects this year were holding a breakfast honoring the new members, helping the band with the almond roca sale and ending their season with a successful dance. Late spring marked the tryouts for next year's drill team. The girls performed before Miss Minton and the past Tigerannas board and were chosen by them. Practices began early in the summer and continued throughout the basketball season.

SONGLEADERS . . . With a down beat of a drum and a swirl of skirts, the 1965-66 song queens began their successful music-filled season. From the spring of "65" through the basketball season they devoted much time and effort perfecting old routines and working out new ones. On the day of every game they presented the players with a treat and a slogan, giving them encouragement to fight and to win the game. Entertaining in assemblies and keeping school spirit at an all-time high

were jobs undertaken by the song staff. This year these four graceful girls were attired in royal blue sweaters with white trim combined with full royal blue skirts. The songleaders' highlighting activities were cheering at the Grid-Go-Round, Turkey Day Game and the Hoop-Go-Round. They were also seen carrying the Stadium banner in the annual Daffodil Parade. Working with the yell staff, the songleaders achieved their goal of buying a new electronic megaphone.

**CHEERLEADERS** . . . . "You're Lookin' Good Big Team—You're Lookin' Good!" was the familiar cry of the 1965-66 Stadium yell staff. As in the past years, our cheerleaders kept their high reputation as being one of the outstanding yell staffs in the state. These four talented students combined their rhythm and imagination into creating very clever yells, which helped immensely to

spread their enthusiastic spirit among their fellow classmates. Much hard work was demanded of the cheerleaders not only in promoting school spirit but also being active in other school and class activities. A trademark of these four leaders was their peppiness and friendliness. Janis and Jim represented Stadium at the pep conference during the summer in Wenatchee.

BYRON McGREGOR  
Most Talented Senior Boy

TALENT . . . The Tahoma Staff, in keeping with tradition, decided to give recognition to talented seniors representing the various artistic fields offered at Stadium High School. With the faculty acting as "selectors," individuals from the instrumental, vocal, art and shop departments were chosen. It was indeed difficult to limit the choice of talented seniors for there is quite an abundance of talent in this class. These students were chosen not only on their ability but also on their willingness to learn more about their special fields. They exemplify the finest of the artistic ability that Stadium has to offer.

This example of artistic expression is just one selection of the various paintings created in art class.

She represented us regally at luncheons, teas, programs, dinners, interviews and any other time she stepped before the public's eye. Her speeches were eloquent and she was at all times well-poised.

To become a princess, Marion first had to be selected, along with Barbara Bloom and Vicky Wilson, by a panel of teachers to compete for princess the following week at the Daffodil Program. That night she was selected as princess by judges who rated on 40% appearance, 30% speaking ability, and 30% poise.

GIRLS' CLUB TOLO ROYALTY . . . "Tahitian Hide-away" was this year's Girls' Club Tolo theme. Not only did this atmosphere prevail over the dance but also throughout tolo week preceding the dance. Co-chairmen Kathy McKay and Vicky Wilson planned a very eventful week. Various attires were selected for special days. The

halls were decorated with a Polynesian flair.

Climaxing the week was the annual tolo held at the Top of the Ocean. Reigning over the tolo's festivities were King Steve Ekberg, Prince Jon Nakagawara, and Duke Leon Horne. These boys were elected by their classmates a week preceding the dance.

"Les Fleurs des Printemps," (translated to "Flowers In Spring") was the theme chosen for the gala occasion. Over one hundred couples enjoyed the music of the Washington Combo and the atmosphere set by co-chairmen Janet Nelson and Jim Salitino.

The Junior Prom royalty was elected by the Junior Class a few days before the dance. This is just the second year that the prom has had royalty. The main purpose for having royalty was to draw more attention to the dance and to add excitement to the prom.

QUEEN'S CROWN ROYALTY . . . Stadium did it again! For the fourth consecutive year Stadium beat Wilson in the annual activity ticket sale contest. As a result of this victory Louanne Bacalich, representing the senior class, was crowned queen and reigned over the Queen's Crown Dance. Assisting her in her regal duties were attendants Helen Scoggins, Junior Class representative, and Lynn Stuart, Sophomore class representative.

SAHASA ROYALTY . . . November 20, 1965, marked the date for the annual Sahasa formal tolo. With 152 couples attending the dance at the Roof Gardens, it proved to be the most successful dance that the club has ever had. The chosen theme was "Grecian Mist" and the atmosphere of ancient Greece was established accordingly. Reigning over the tolo was Queen Carol Walker and her royal court of Princess Cheryl Johnson and Duchess Wendy Burrington.

HOMECOMING ROYALTY . . . Queen Cindy Schuur and her court reigned over the Homecoming festivities for 1966 with the coronation taking place at the exciting Homecoming Dance. This year several new highlights were added to Homecoming Week. One was the Torchlight Parade, where all the semi-finalists for royalty were introduced. The other was a roll room contest involving decorating your roll room door in the theme of "Welcome Home Grads."

**SENIOR BALL ROYALTY . . .** The 1966 Graduating Class held their Senior Ball at the Winthrop Hotel on May 14. As "Sophistication" was the chosen theme, the atmosphere was established accordingly.

Late in February the senior class selected their royalty by ballot but had no idea who had won until

the exciting announcement at the dance. Ascending the throne as King was Bob Hunt, with Janis Brown reigning as his queen. The remaining court consisted of Prince Barry Diseth and Princess Michelle Kelly; Attendants Mike D'Antuono and Linda Anderson; Attendants Blaine Walker and Barbara Bloom.

FALL EDITOR

Fall Staff is found working hard in order to meet the deadline.

## New Advisor stimulates World Staff with

FALL WORLD STAFF . . . "Easy to Read and Worth Reading" was the standard set by the Fall World Staff in the twelve issues which it sent to the press. Of these twelve issues the Thanksgiving and Christmas editions were outstanding in helping to capture the holiday spirit.

The staff's main objective was to report school and social events, sports and college information. Student opinion was expressed through editorials and letters. A new addition to the paper this year was a Student Council column. This column informed the students more

precisely on school affairs and increased the communications between the Student Government and the Student Body.

Following the example of editor Carol Vetter the staff members soon became proficient journalists. This job entailed writing concise and comprehensive copy, conducting personal interviews, composing interesting headlines and captions, balancing layouts and designing attractive advertisements.

## new ideas for a successful season

SPRING WORLD STAFF . . . The hard working 1966 spring staff under the leadership of Chris Edwardson and advisor Mr. Cannell acted as a source of general information and entertainment for the student body. In addition to thier regular jobs the staff took on another burden of glueing all copy, pictures and advertisements in the dummy by themselves. As this job is usually done by the printing company, the staff gained much experience by it.

Another new feature of the spring World was the "Scholastic Roto," a free sixteen-page monthly publica-

tion. The "Roto," which acted as a supplement to the regular issue once a month, contained snapshots of various high school activities, sports articles and current events of interest to the students.

This year both all and Spring staffs increased their number of publications to create a sum total of fourteen issues rather than the usual nine throughout the school year. Indeed, it was a very prosperous year for Mr. Cannell and his efficient staff.

During the summer meetings the theme, cover ideas, and desired improvements over previous books were discussed. Ads were also obtained then, which helped finance the yearbook. The next task for the staff was creating a model of the annual. It was necessary to diagram each page, listing the exact measurements of copy blocks, pictures and margins. By making such a layout, picture sizes and copy lengths could be determined.

this year. They were found in the line of action at all sports events and social events. Having their own dark room facilities enabled the staff to make much use of student photography. Professional photographers were contracted to take senior portraits and formal shots. The final job of the staff was promoting the sale of the annuals. In early March the subscription drive began. With the aid of posters, a successful school-wide campaign was waged.

The photo essay was used this year to carry out the theme of "Youth." Kayleen, the art editor, worked many hours on this essay, developing a continuity throughout the book. # Stadium repeats as City and Capital champs; rated third in the state by A. P. sportswriters

VARSITY FOOTBALL . . . The 1965 Tigers did a superb job of defending their championships. They picked up the City and Capital League championships as well as the annual Thanksgiving Day game for the second year in a row on their way to their first perfect season (9-0-0) since 1938.

They started the season by trouncing Bellarmine 32-0 and Edmonds 19-2. Wilson was then shut out 7-0, Mark Morris of Longview was pushed aside 24-6, and the Tigers posted another shut out win of 14-0 over Mt. Tahoma. Lincoln, the only City League team to score against Stadium, was defeated 9-7. For the close of regular play Everett and West Bremerton were disposed of 6-0 and 26-7 respectively. Stadium met Lincoln again for the Turkey Day game and easily beat the Abes 25-7. That win was the thirteenth straight for the Tigers over the last two seasons. Head coach Bob Levinson and his assistants Ted Kintz and Herb Godfrey received well earned praise for their fine work.

Charles White (13) takes a hand-off from Bob Botley (10) while Rick Keely (58) sets a block.

VARSITY FOOTBALL . . . Bottom row: Robert Wasp, Ellis Cain, Bob Hunt, Joe Verone, Tom Greenwood, Steve Mikkelson, Rick Keely, Tom Hillyard, Andy Levesque. Top row: Steve Johnson, Larry Henley, Ben Dew, Ed Smith, Bob Botley, Travis Thorne, Wallace Walker, Bernard Johnson, Jim Tyner.

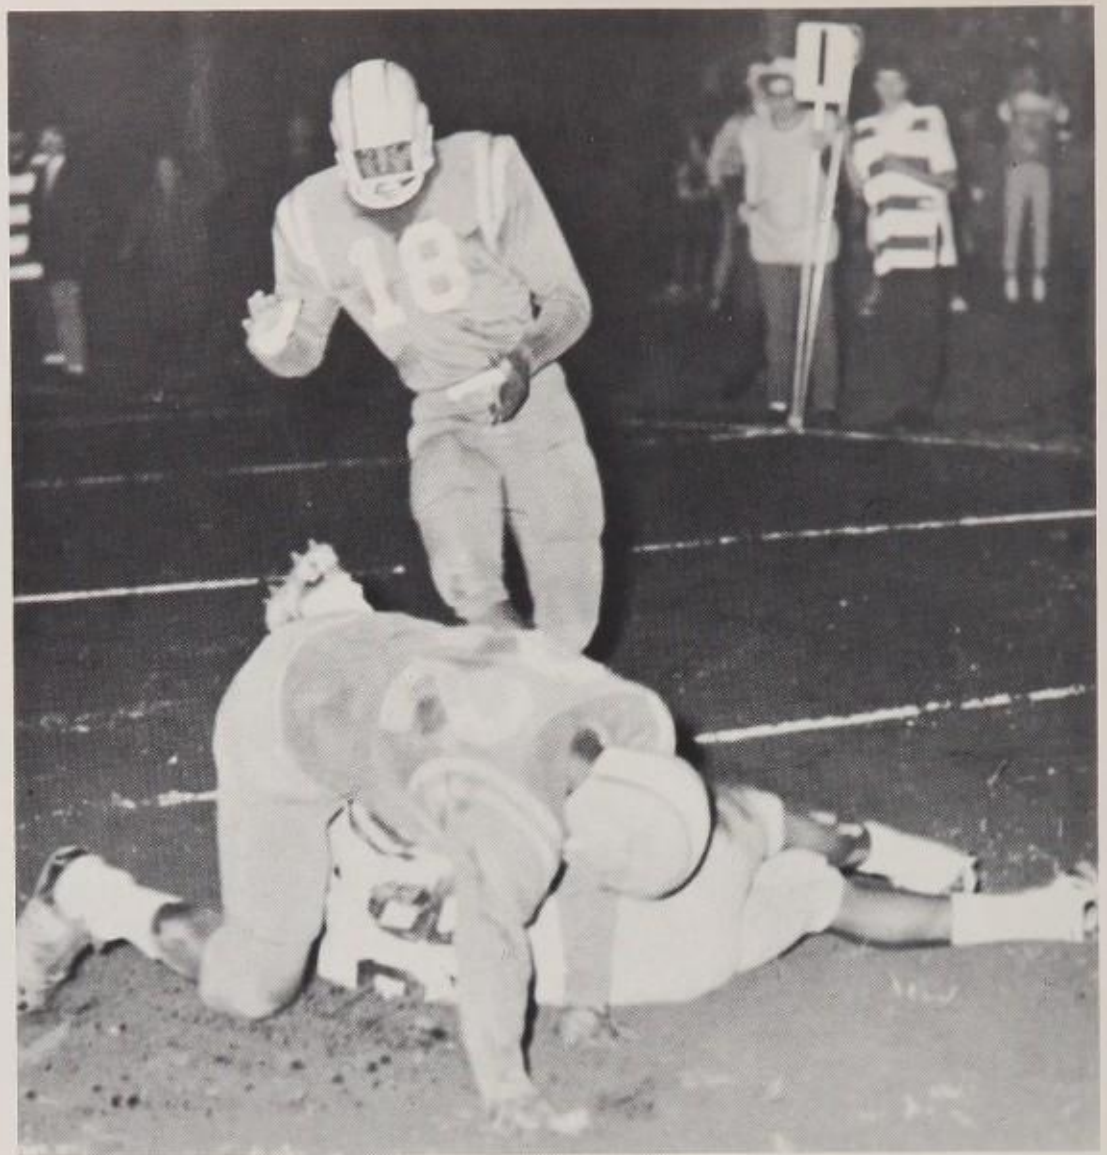

Speedster Ben Dew (15) races into end zone with game-winning touchdown over Lincoln.

HONORS . . . Due to the high quality of play turned in by the Tigers this season, the players were rewarded for their outstanding performance. By the *Tacoma News Tribune* post season ballot, six Stadium players were named on the All-City first team. End Andy Levesque, tackle Bob Hunt, and quarterback Bob Botley were named on the first team of offensive squad while end Ellis Cain, linebacker Steve Mikkelsen, and safety Ed Smith were named to the defensive first team. Stadium also landed five players on the All-City second team. They were guard Joe Verone, and fullback Charles White on defense, and tackle Bob Hunt, middle guard Bruce Roberts, and halfback Ben Dew on defense.

At the annual football banquet, held at the end of the season, Bob Botley and Bob Hunt were chosen co-captains of the championship team. This pair was also named co-inspirational award winners. Other awards were presented to Tom Greenwood as the best blocker, Larry Henley and Steve Mikkelsen shared the award for the best tackler, and the most improved player was Robert Wasp. These individual honors were all well deserved. The team as a unit also earned many honors. The Tiger defense was the toughest in the city, while the offense piled up the second highest number of yards gained.

Larry Henley (22) captures Lincoln ball carrier in end zone for safety in 9-7 win over Abes. Ben Johnson (18) comes in to help.

Bob Botley (10) shows his great ability as a scrambling quarterback as he eludes a Wilson tackler.

## Desire to improve give Reserves an even season; Sophomores improve skills; desire to move up

SOPHOMORE FOOTBALL . . . Sophomore football started out all new this year with twenty-six ready and eager sophomore boys as well as two new coaches, Dean Haugen and Ed Moomaugh. Throughout the season the boys continuously drilled on the basic fundamentals of football.

The boys' weekly work was climaxed every Monday when they faced the sophomore teams of the other Capital League schools, excluding Bellarmine. While playing Mount Tahoma and Lincoln twice, and West Bremerton and Wilson once, they managed only one victory. Although their record was not impressive, the boys gained actual game experience which was greatly needed if they wanted to rise to the ranks of the reserve and varsity teams. Since sophomore football was the first chance that many of the boys had to play football, their next two years hold much chance for improvement.

RESERVE FOOTBALL . . . To give those boys that were not quite varsity material a chance to improve their skills was the main purpose of reserve football. Under coach Herb Godfrey, the reserves served as the opposition for the varsity team during practice as well as preparing for their own games on Monday afternoons. With a six game schedule, the reserves managed wins over Bellarmine, Mount Tahoma, and Wilson for a .500 season record of three wins and three losses.

Because the reserve team was composed mostly of sophomores and juniors, some of the outstanding players that may be seen on the varsity team next year are half-backs Chuck Walters and Grover Johnson, and quarterback Steve Johnson. Outstanding line play was turned in by ends Tom Hillyard and Jim Eagle, center Jay Fulton, guard Greg Gardner, and tackle Bob Pearson.

# Hoopsters finish third in city league race

VARSITY BASKETBALL . . . Kneeling: Assistant Coach N. Borell, Head Coach M. DuBois. Standing: B. Botley, W. Walker, E. Smith, A. Dillingham, R. Keely, E. Horne, T. Hilyard, B. Baily, R. Johnson, T. Thorn.

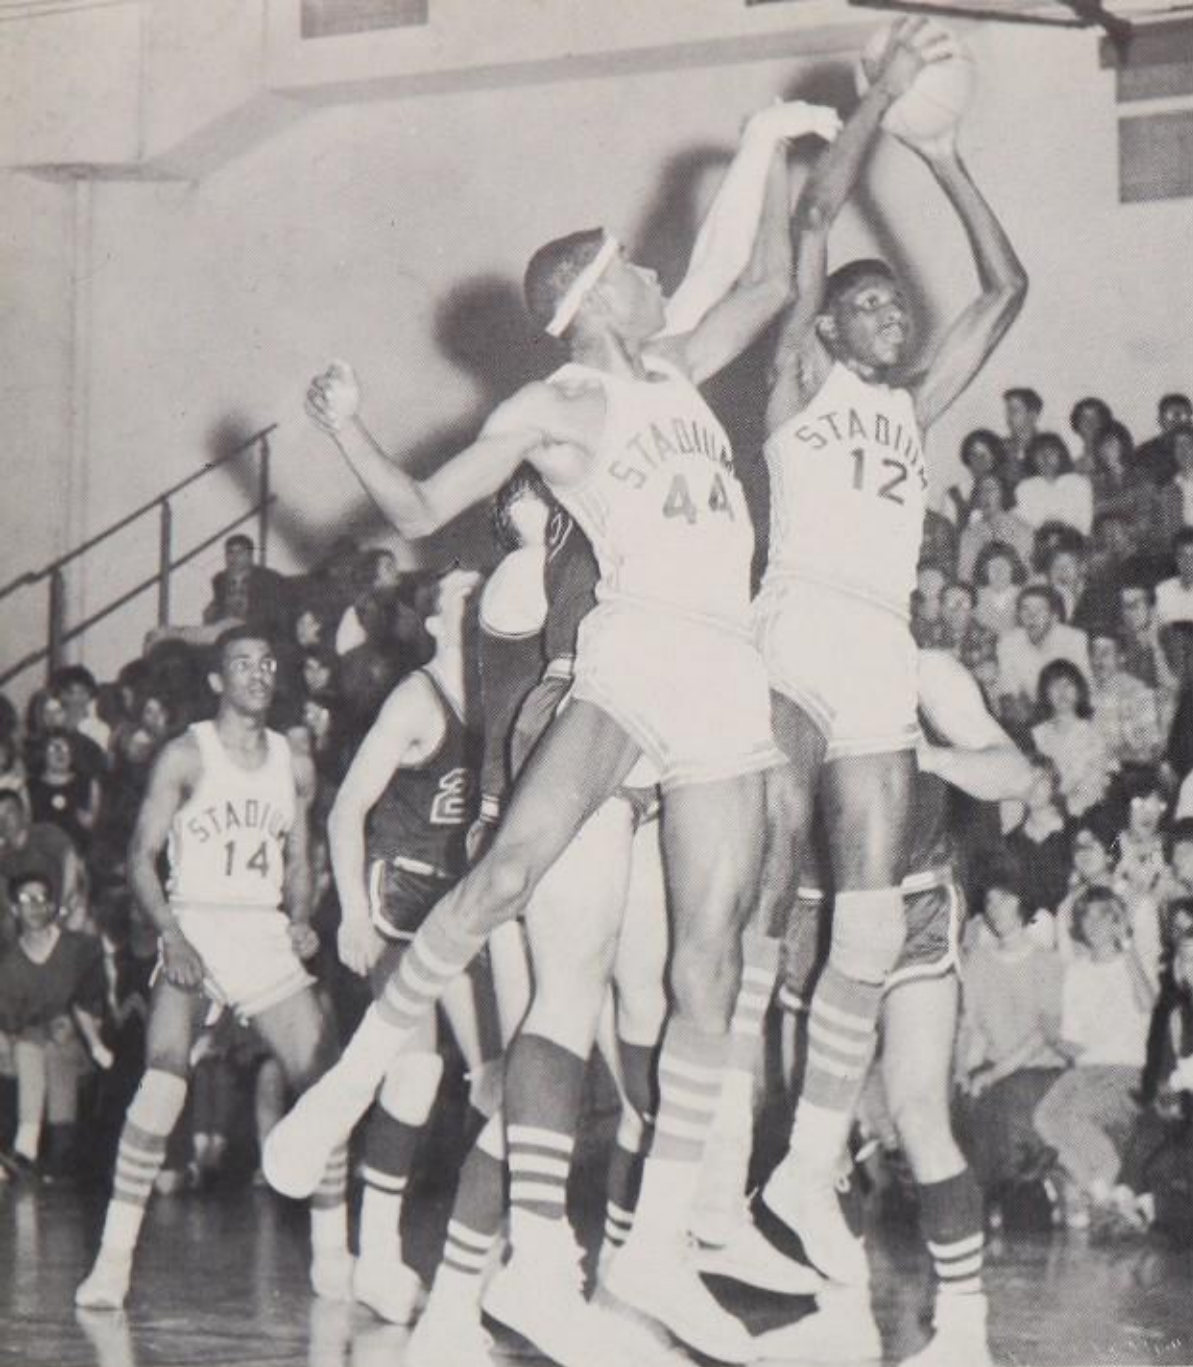

VARSITY BASKETBALL . . . Stadium fans have always been fortunate in being able to witness fast moving, well fought, and extremely exciting basketball games. This year was no exception. With Mr. Max DuBois piloting the varsity quintet for his second year, the squad put together fine displays of teamwork with excellent individual efforts from some of the more outstanding players, to post a season record of nine wins and eleven losses.

Throughout the season coach DuBois continually juggled the starting line-up trying to find a consistent winning combination. Most of the scoring punch throughout the long twenty-game season was supplied by forward Travis Thorn and guard Bob Botley. Senior Ed Horne and junior Tom Hillard combined to control the backboards. The Tigers finished third in the city league and

fourth in the capitol league races, both of which were very close. Had Stadium won its last two games they would have finished in first place. As it was they lost both by close margins and had to settle for third.

Several players turned in outstanding performances this year and received well-deserved recognition. Travis Thorn was voted forward on the All-City first team, Ed Horne was second team center and Bob Botley and Tom Hilyard got honorable mention. Voted captain by his teammates was Botley, and Thorn was picked inspirational award winner. Thorn was also third in the city league in scoring with a 14-point per game average. Second in the city in rebounding was Tom Hilyard with an average of ten rebounds a game.

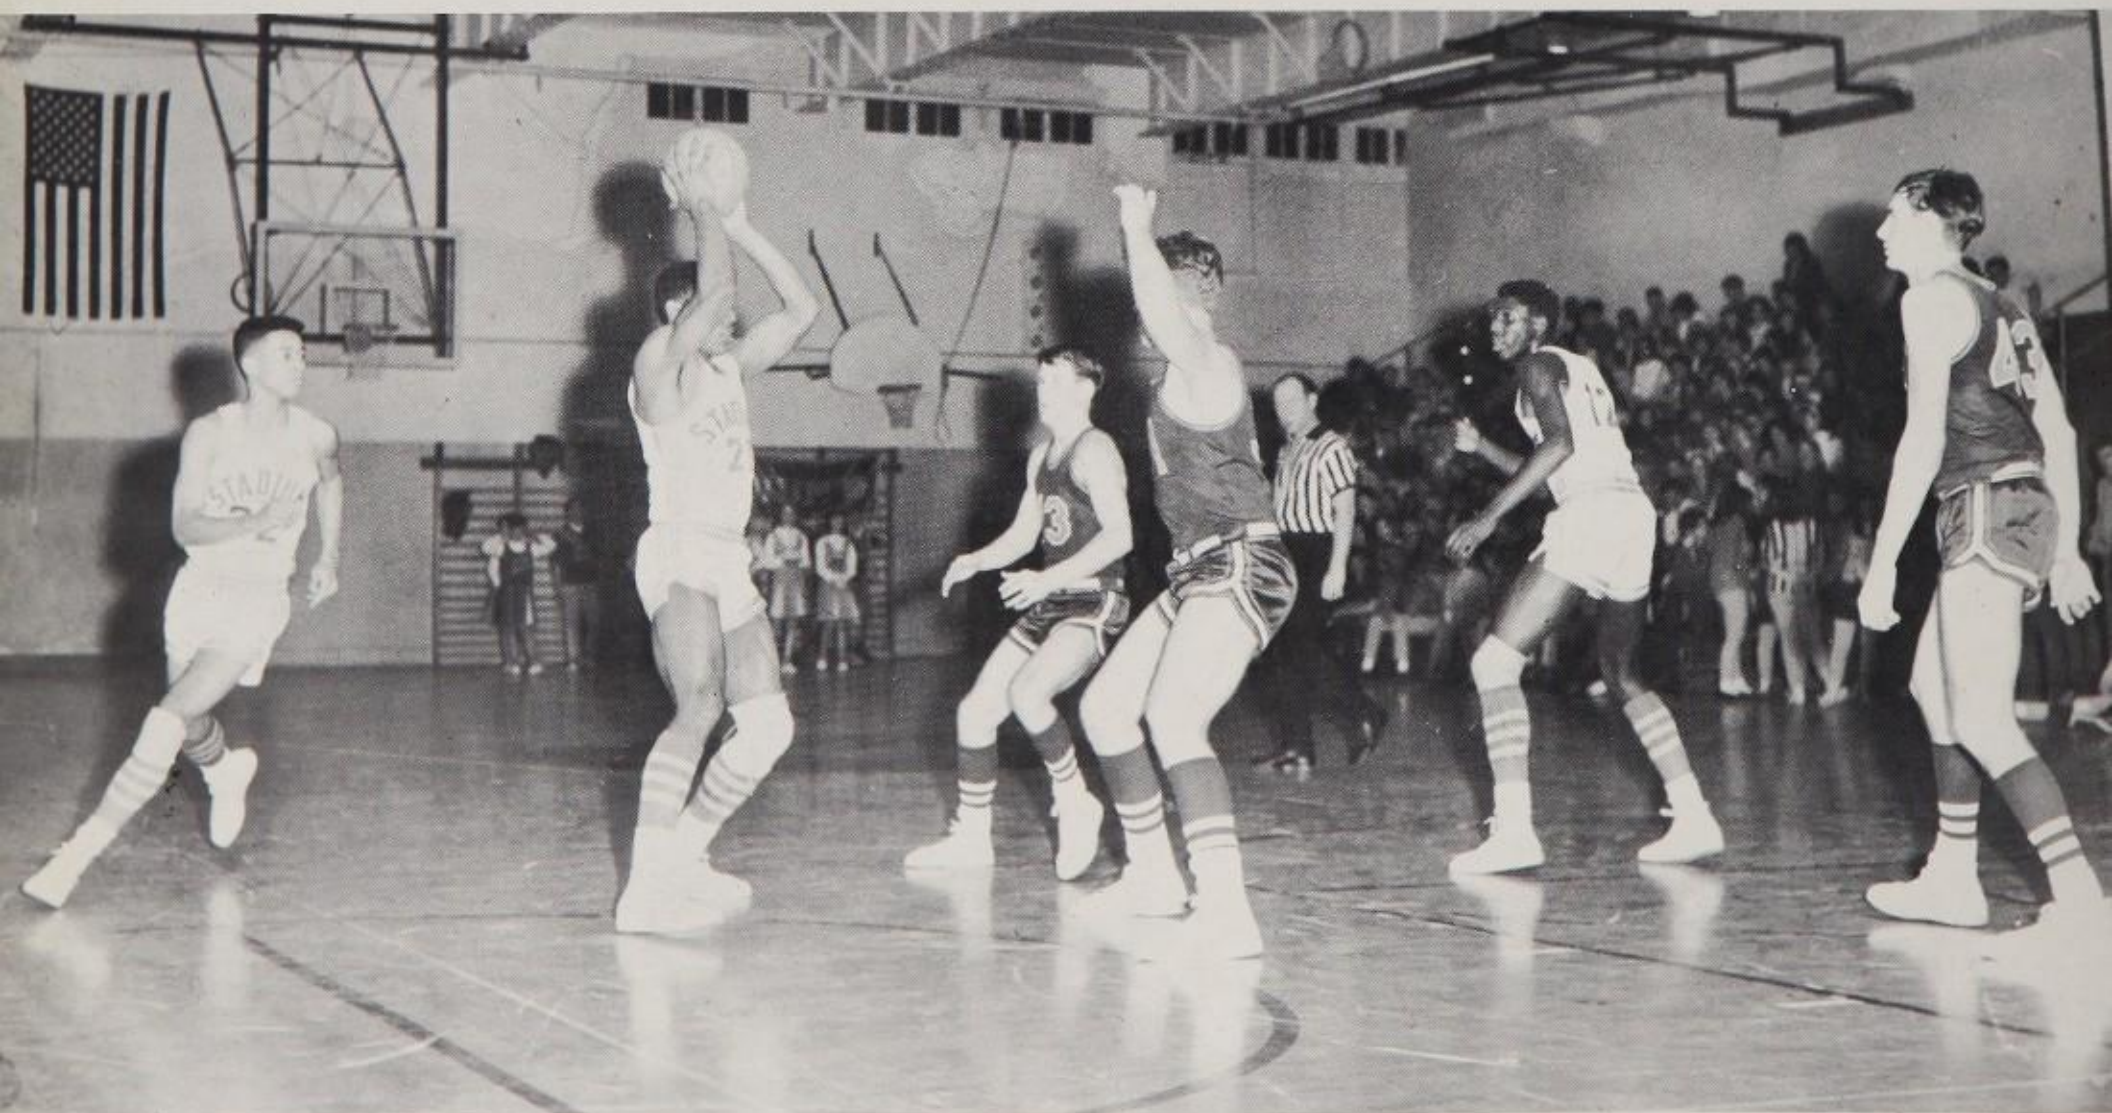

Tom Hilyard (12), second top rebounder in the city, pulls down another as Ed Horne (44) assists.

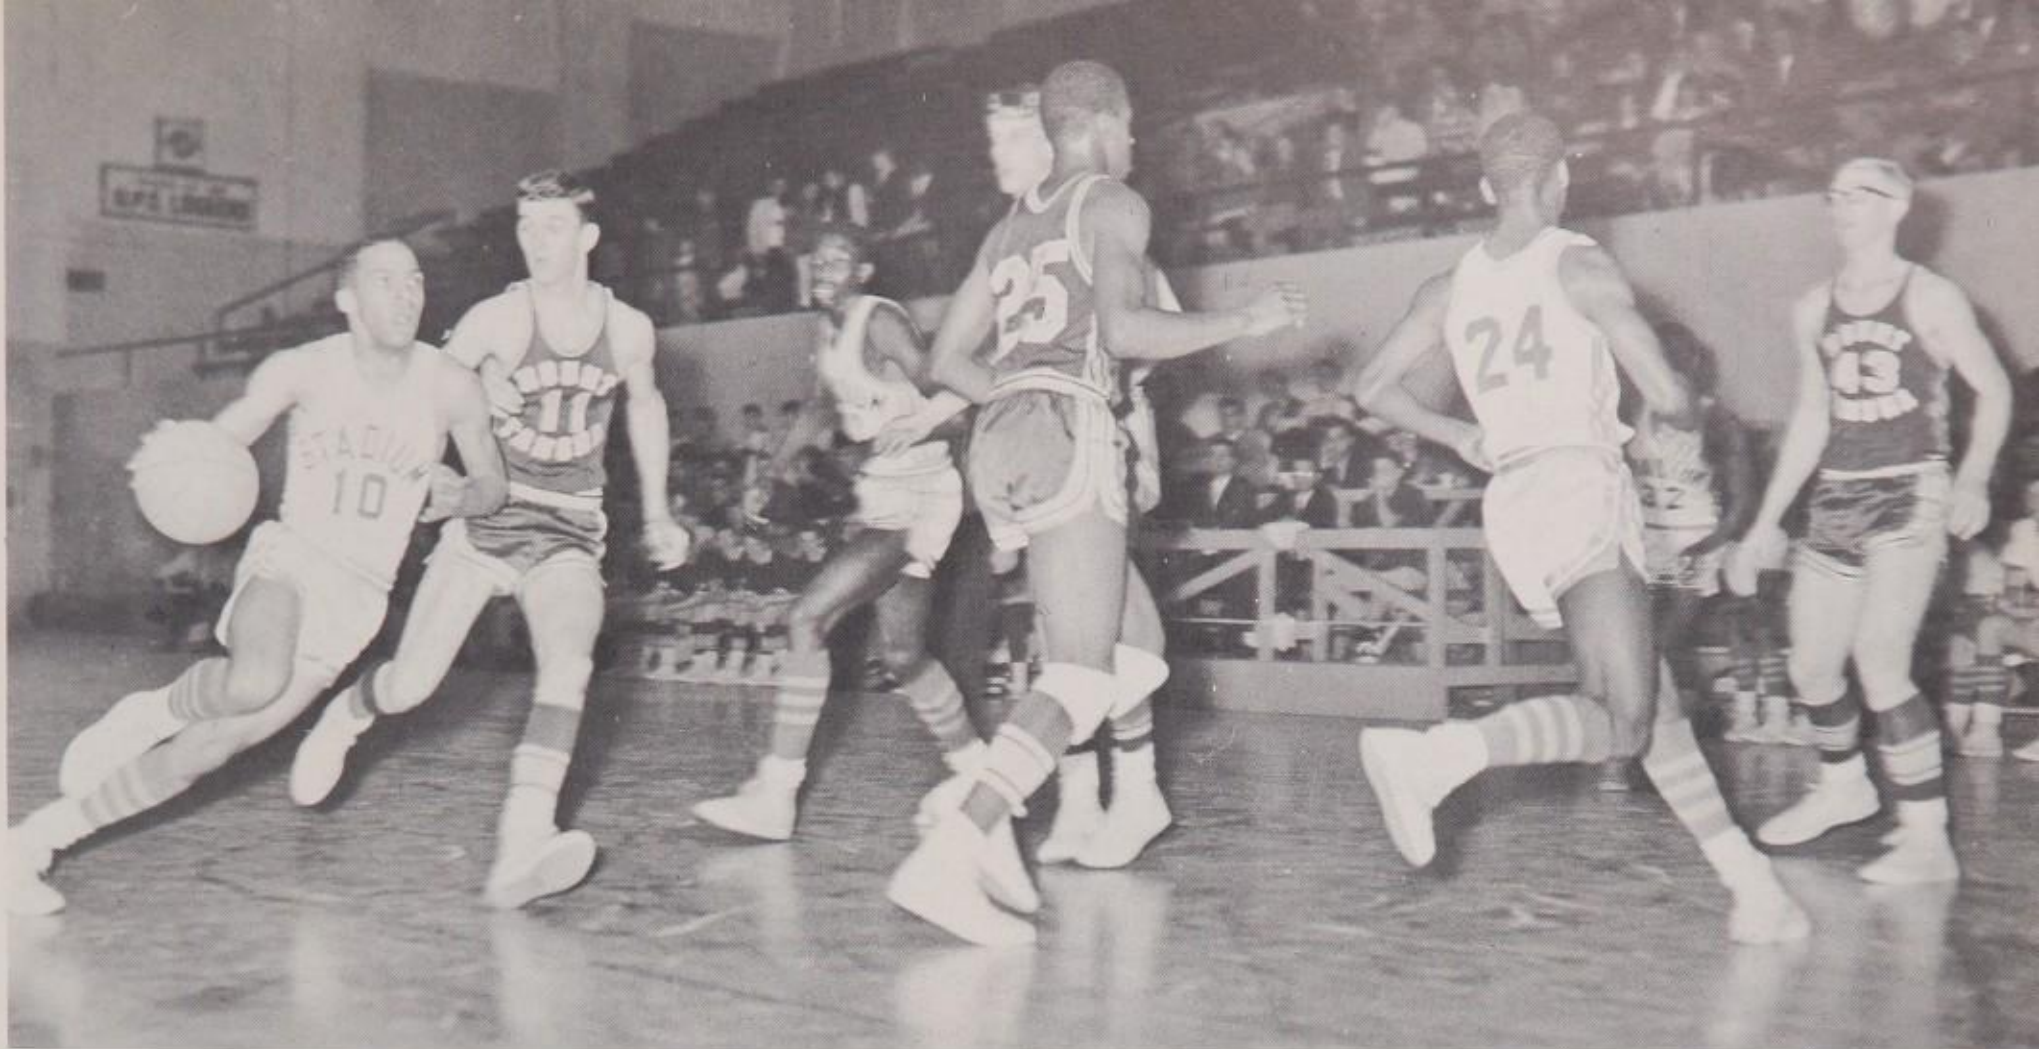

Stadium's top scorer, Travis Thorn (14), sets before shooting one of his patented outside shots.

## superb basketball in Capital League

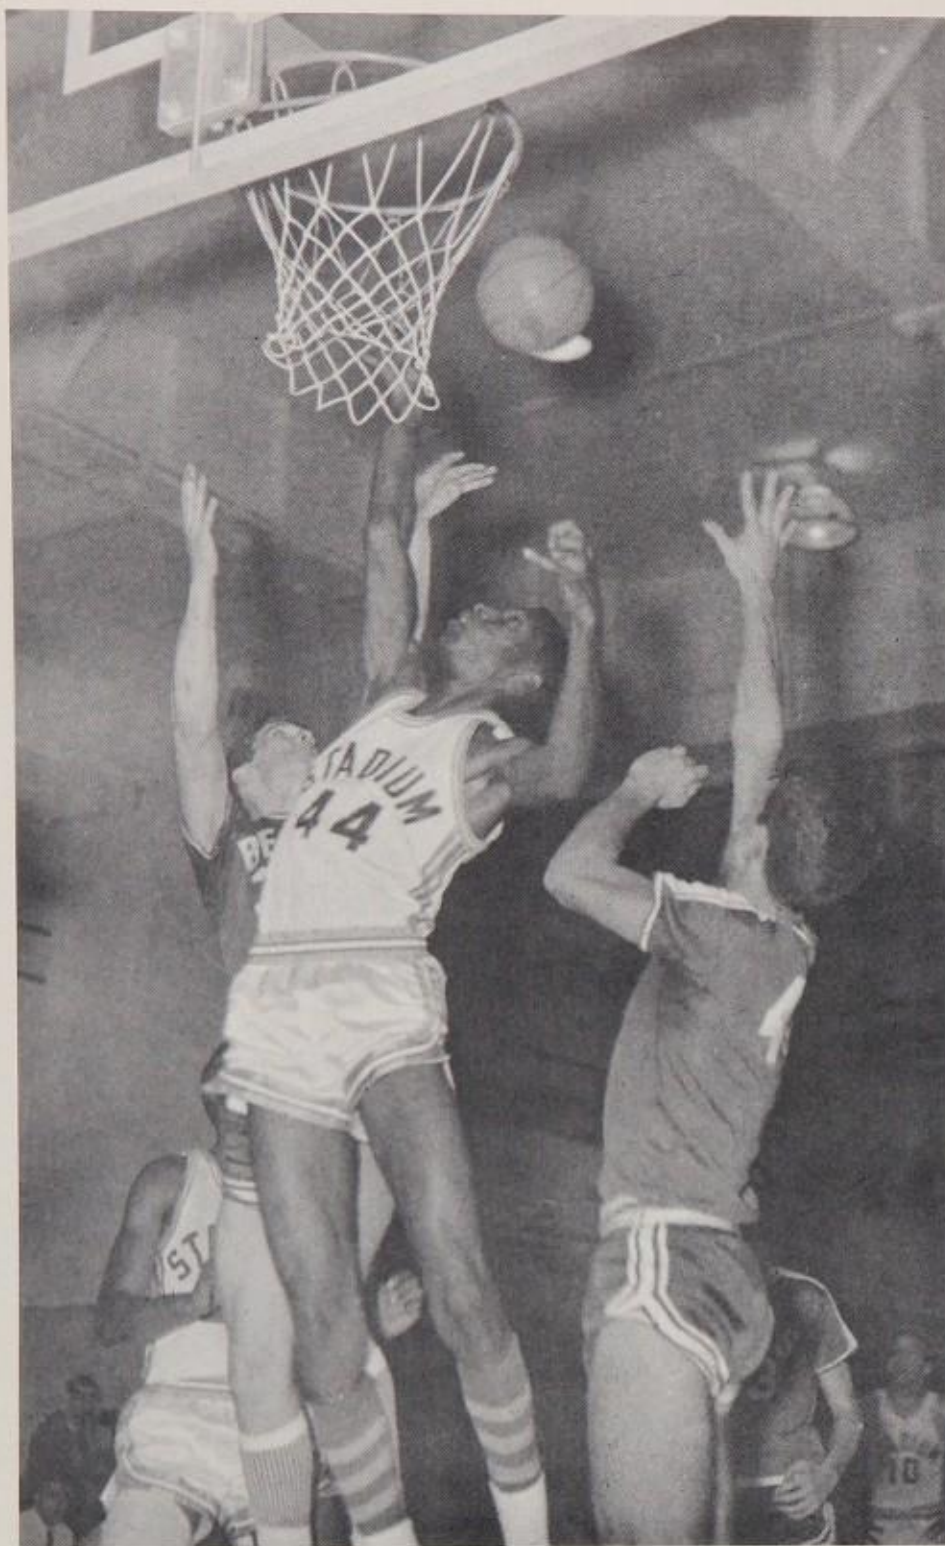

Ricardo Johnson (20) dribbles down court on a fast break.

Rick Keely (34) lays one in for Stadium while Anthony Dillingham (30) backs up the shot.

Ed Horne (44), all-city second team center, battles two Bellarmine players to get a rebound.

Gene Heidal (32) shoots for two in an important reserve game. Brian Lindeman (14) follows the shot.

**RESERVE BASKETBALL . . .** Under a new coach, Mr. Norm Borell, the reserve basketball squad did a good job of fulfilling their main purpose: to develop varsity material. The reserves played before every varsity game, except before the double-headers at U.P.S. Their record for a hard twenty-game schedule was an even ten wins and ten losses. Against their city league opponents, the reserve team did better, posting seven wins against only five losses. Although they were beaten by Lincoln, the city league reserve basketball champions, our reserves beat Mount Tahoma and Bellarmine three times and triumphed over Wilson once.

Leading the junior varsity in scoring was Moses Bobo. Loren Baker had the best field goal percentage with an impressive 47% with Bill Messing and Robert Wasp following close seconds. Voted the most improved players over the entire season were Robert Wasp and Loren Baker.

**RESERVE BASKETBALL . . .** Bottom row: A. Medak, M. Bobo, R. Malanca, B. Lindeman, L. Baker. Top row: G. Heidal, J. Eagle, B. Messing, E. Cain, D. Hammerstrom, Coach N. Borell.

## Golds place high in tough sophomore league ... Blues work hard, show promise for future

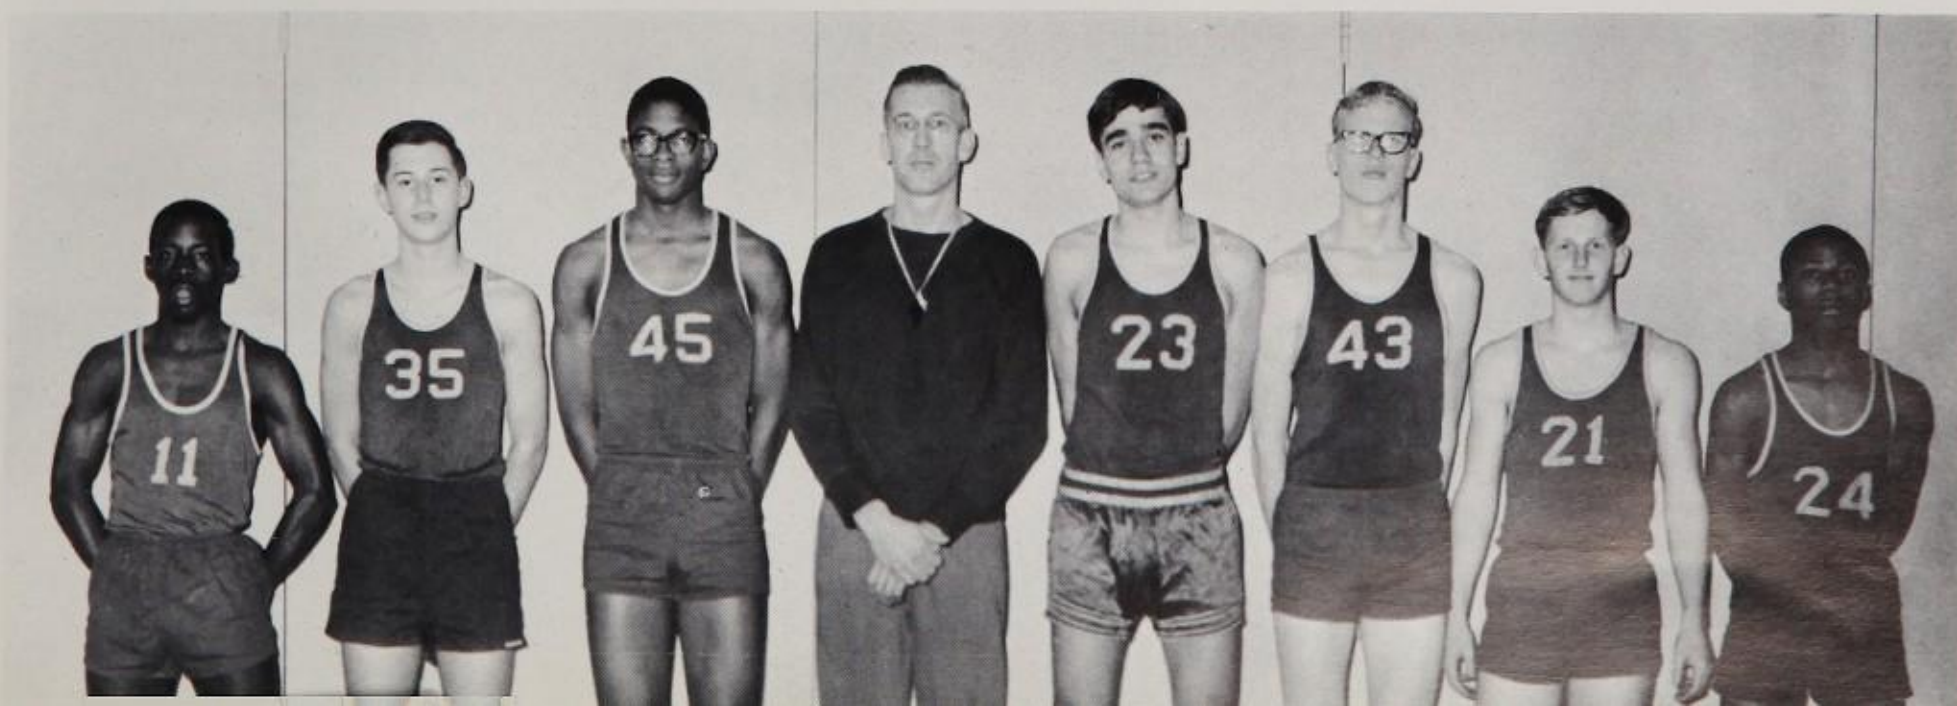

SOPHOMORE GOLDS . . . The sophomore Golds enjoyed a very successful season, finishing up in second place in the city sophomore basketball league. Under the direction of the new coach, Mr. Paul Martin, the Golds rolled over their opposition. They compiled a season record of 11 wins and only 3 losses.

The Golds played good consistent basketball throughout the season. Reorde Odom, Grover Johnson, Matt Vodonovich, John Rowlands and Lance Percy, the Gold's starting line up, worked well as a team. Teamsmanship and cooperation resulted in good rebounding, defense and shooting. The latter was the team's strongest point, for the Golds won many games due to their fine shooting. Two other boys that added strength to the teams attack were Rick Pettus and Norris Bruflot.

SOPHOMORE BLUES . . . For many boys, Sophomore basketball was the first opportunity for them to take an active part in organized school athletics. Under the very capable coaching of Mr. Dwayne Westlin, the Blues comprised a season record of 7-7 against the other sophomore teams of the city league schools. Besides offering the boys a chance to work together as a team, coach Westlin also stressed shooting, rebounding, and play-making.

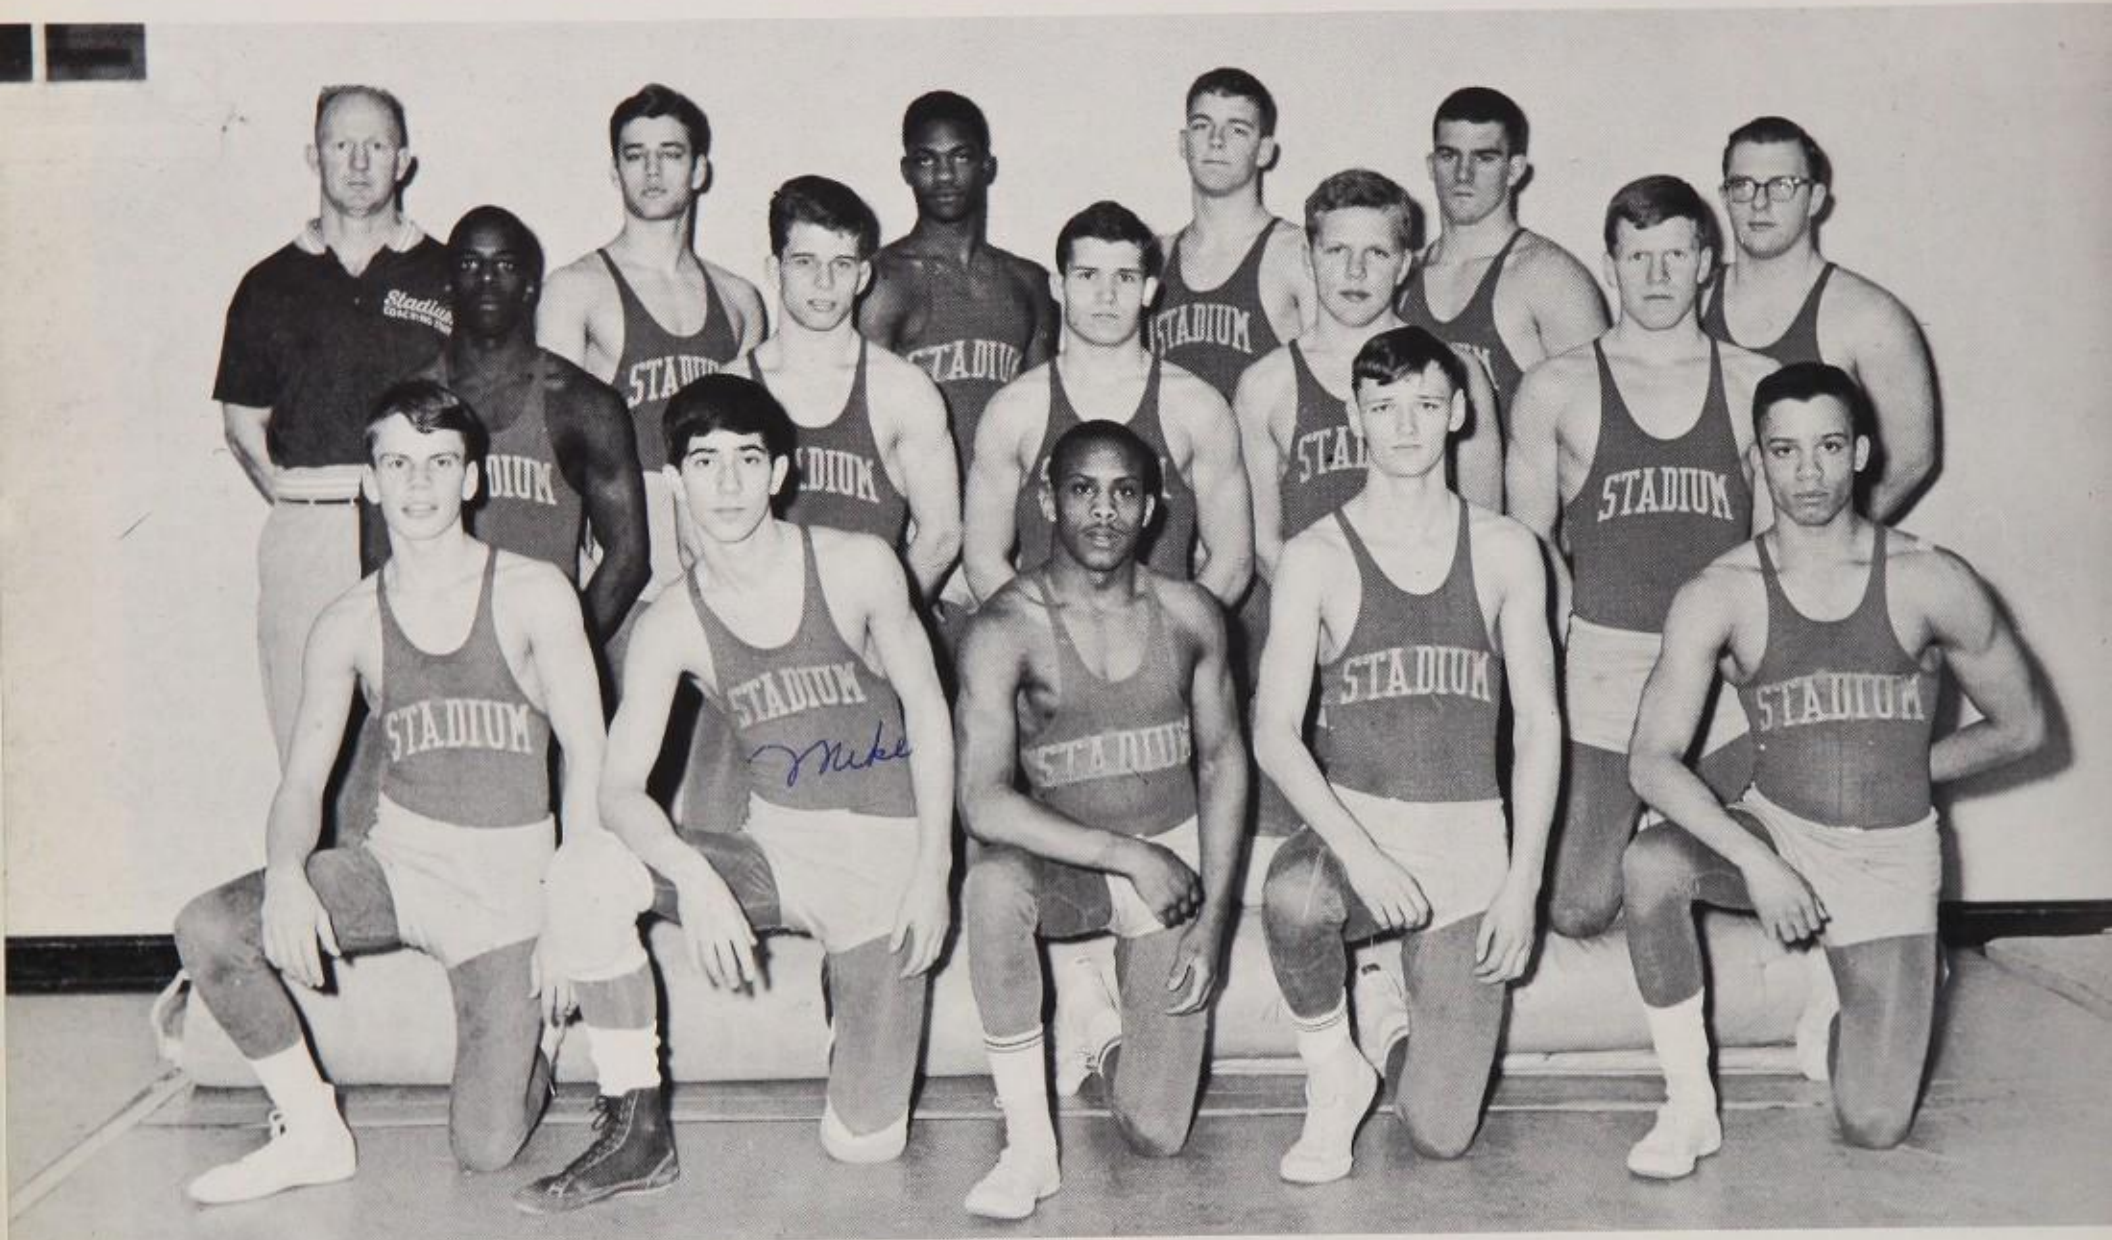

Although the season record of the Blues was not overly impressive, the boys played good ball and worked hard all season. Many of the boys showed promise and are certain to add strength to Stadium's basketball program in the future. Several of the most consistent performers were Larry Levesque, Mike Doebr, Eugene Mobley and William Smith.

SOPHOMORE BLUES . . . T. Allen, S. Marinkovich, L. Horne, Coach D. Westlin, M. Klochn, S. Jernstrom, L. Peterson, W. Smith,

VARSITY WRESTLING . . . For the fifth straight year, Stadium wrestlers continued their domination of city league wrestling. With a season record of 13 wins and only 1 loss, Coach Herb Godfrey's wrestlers not only captured the city league championship for the fifth straight year, but also brought home the Capital League crown as well. The latter championship was won for the second straight year. Over the past five years Stadium has won 33 out of 34 city league matches. This word speaks well for Coach Godfrey.

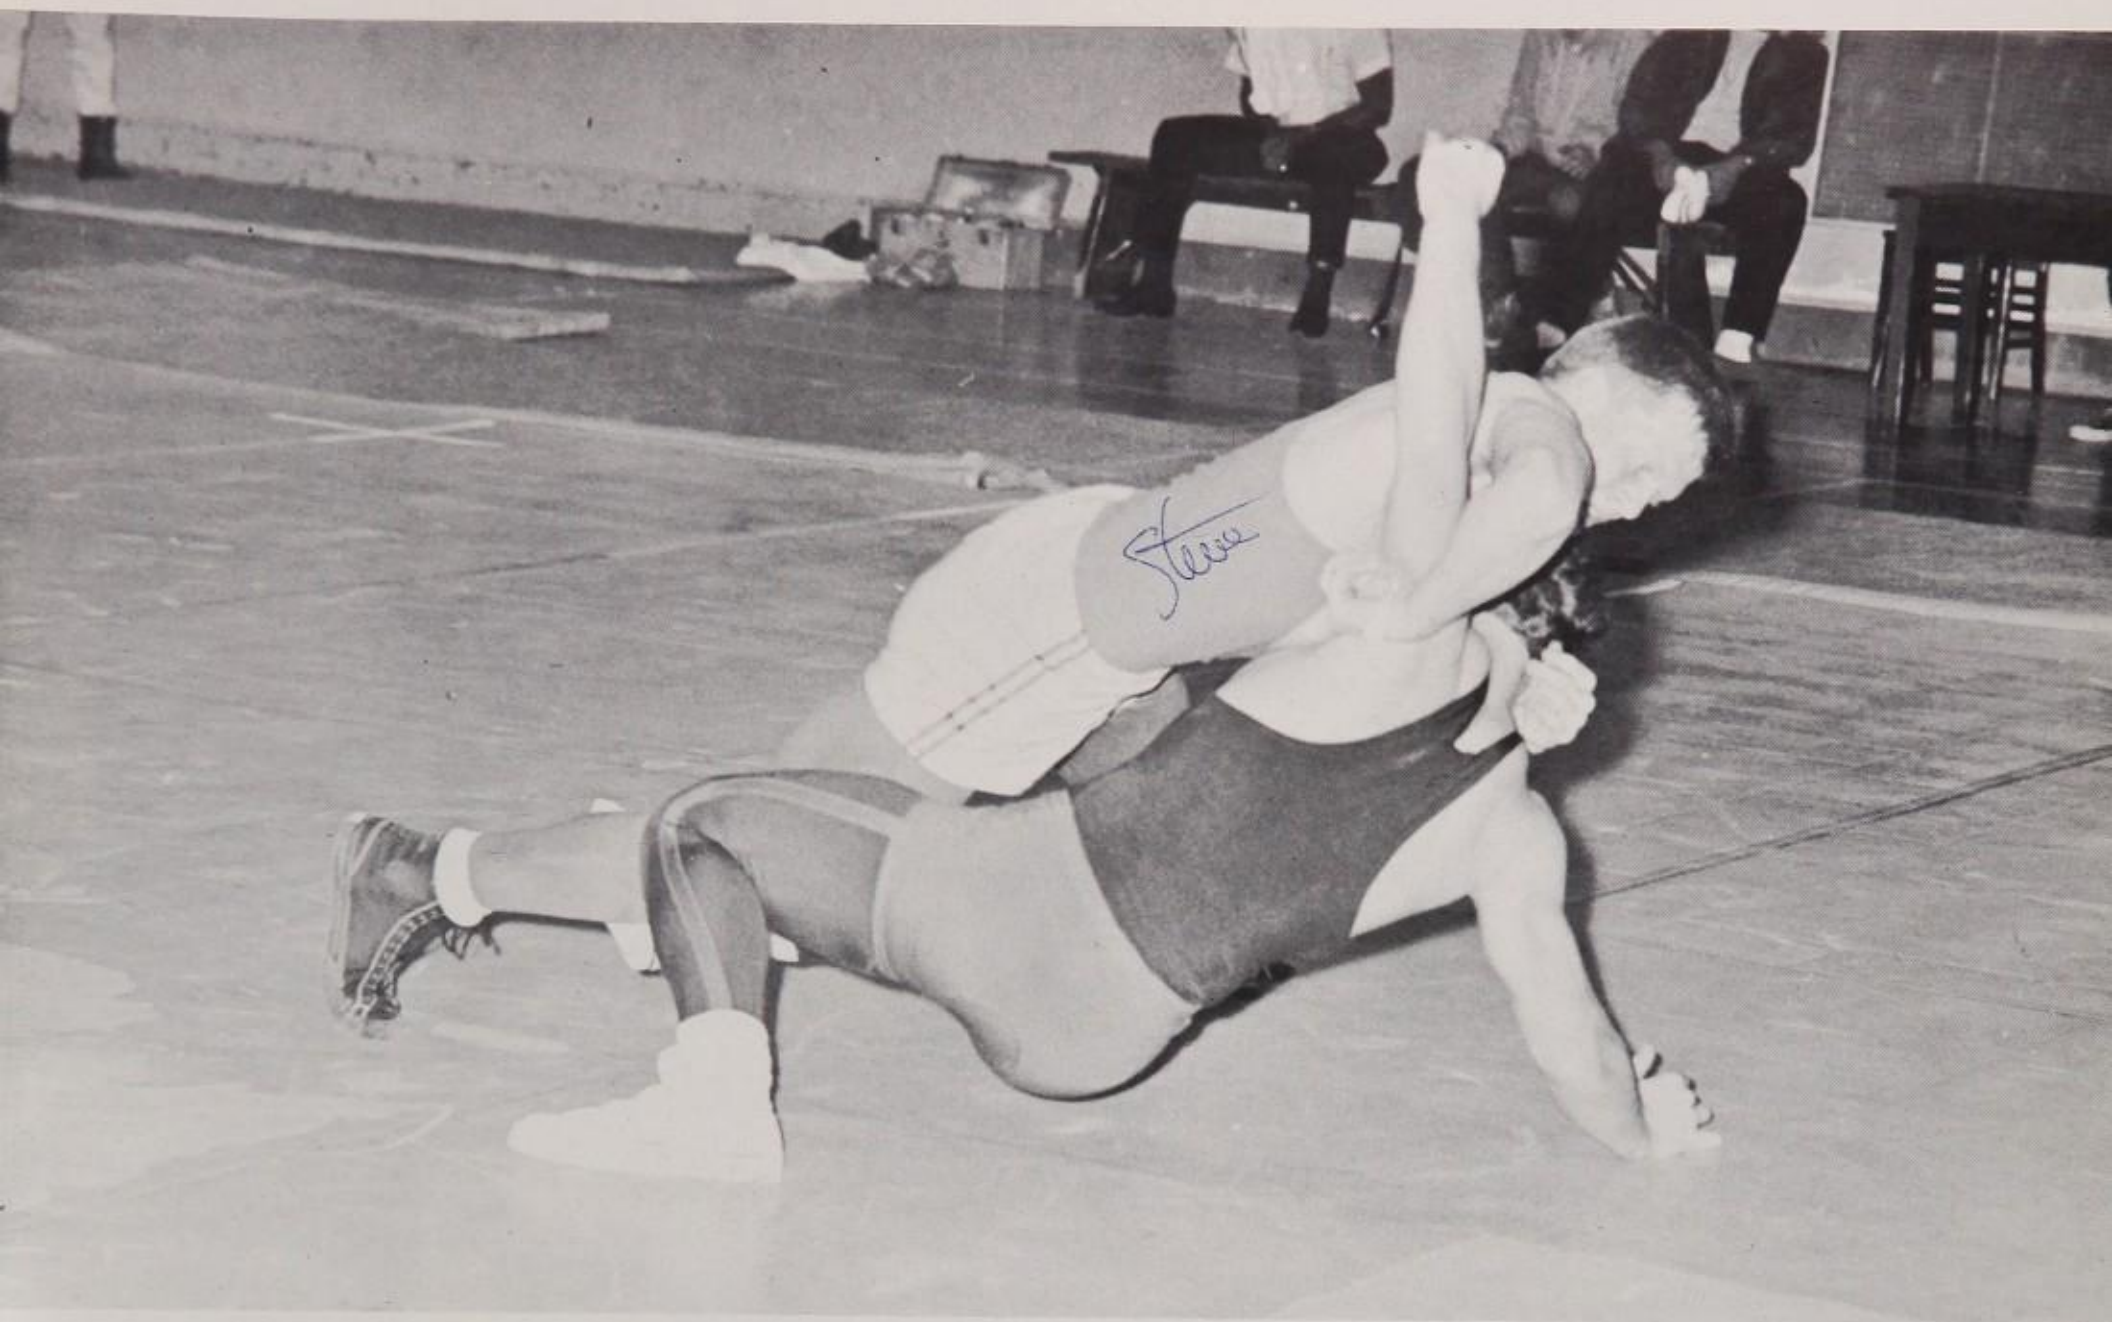

This year's championship team was led by three 3-year lettermen, Mike D'Antuono, Tom Mack, and Steve Mikkelsen. Climaxing the very successful season, Stadium sent six boys to the State meet. They were Wayne Hoff, 106, Mike D'Antuono, 123, Tom Mack, 141, Steve Mikkelsen, 157, Bob Hunt, 194, and Greg Gardner, heavy weight. D'Antuono, the only one to place, took second place in the 123 pound division.

Clint Bickham (left) and Howard Draine quickly leave blocks at start of sprint.

**VARSITY SWIMMING . . .** The swim team, though lacking in depth this year, improved considerably as the season progressed. Placing second in the Ram Relays and in the City Meet, the team won the Thunderbird Relays, competing with five other teams. In the State Meet Jim O'Brien was Stadium's leading scorer, along with a brilliant performance from his brother Steve O'Brien. This young team, which consisted of only three seniors, tri-captains, Jim O'Brien, Doug McKeever, and Rocky Champagne, had fine spirit and cooperation throughout the year. Team members who were consistent point-getters all season were Doug McKeever, All-City winner in the fifty-yard freestyle, Jim and Jerry Hunt, twin sophomores in the individual medley and backstroke and Mark Schubert, butterfly and freestyle sprinter. This group of competent swimmers deserved much praise for their persistent practice and hard work all season.

Showing excellent form, Loren Baker delivers a deceiving curve

VARSITY BASEBALL . . . Head coach Mr. Ted Kintz was greeted with only one returning letterman this season, thus the Tigers fielded a very young team, made up largely of juniors. Although the team was young, they showed great determination and worked hard all season for head coach Kintz and reserve coach Mr. Paul Martin. Hard work and hustle paid off as it won many games for the Tigers.

Stadium had a fifteen game schedule this year. Besides meeting the city and capital league schools, they played Clover Park, Curtis, and South Kitsap. All home games were played at Jefferson Park and Heidelberg Field. While making a bid for the City and Capital League titles, the varsity put in hard practice at Jefferson while the reserves worked in the bowl.

The captain for this year's team, and the only returning letterman, was outfielder Ed Smith. Other outfielders were Ben Dew, Jim Eagle, and Bill Bailey. Infield strength was aided by Rick Dupuis, Steve Johnson, Tony Macaluso, Jalyon Raymond, and Bill Messing. Left handed catcher Dan Strand took turns catching pitchers Loren Baker, Steve Mikkelsen, and Ricardo Johnson.

## Cindermen have great depth in all fields

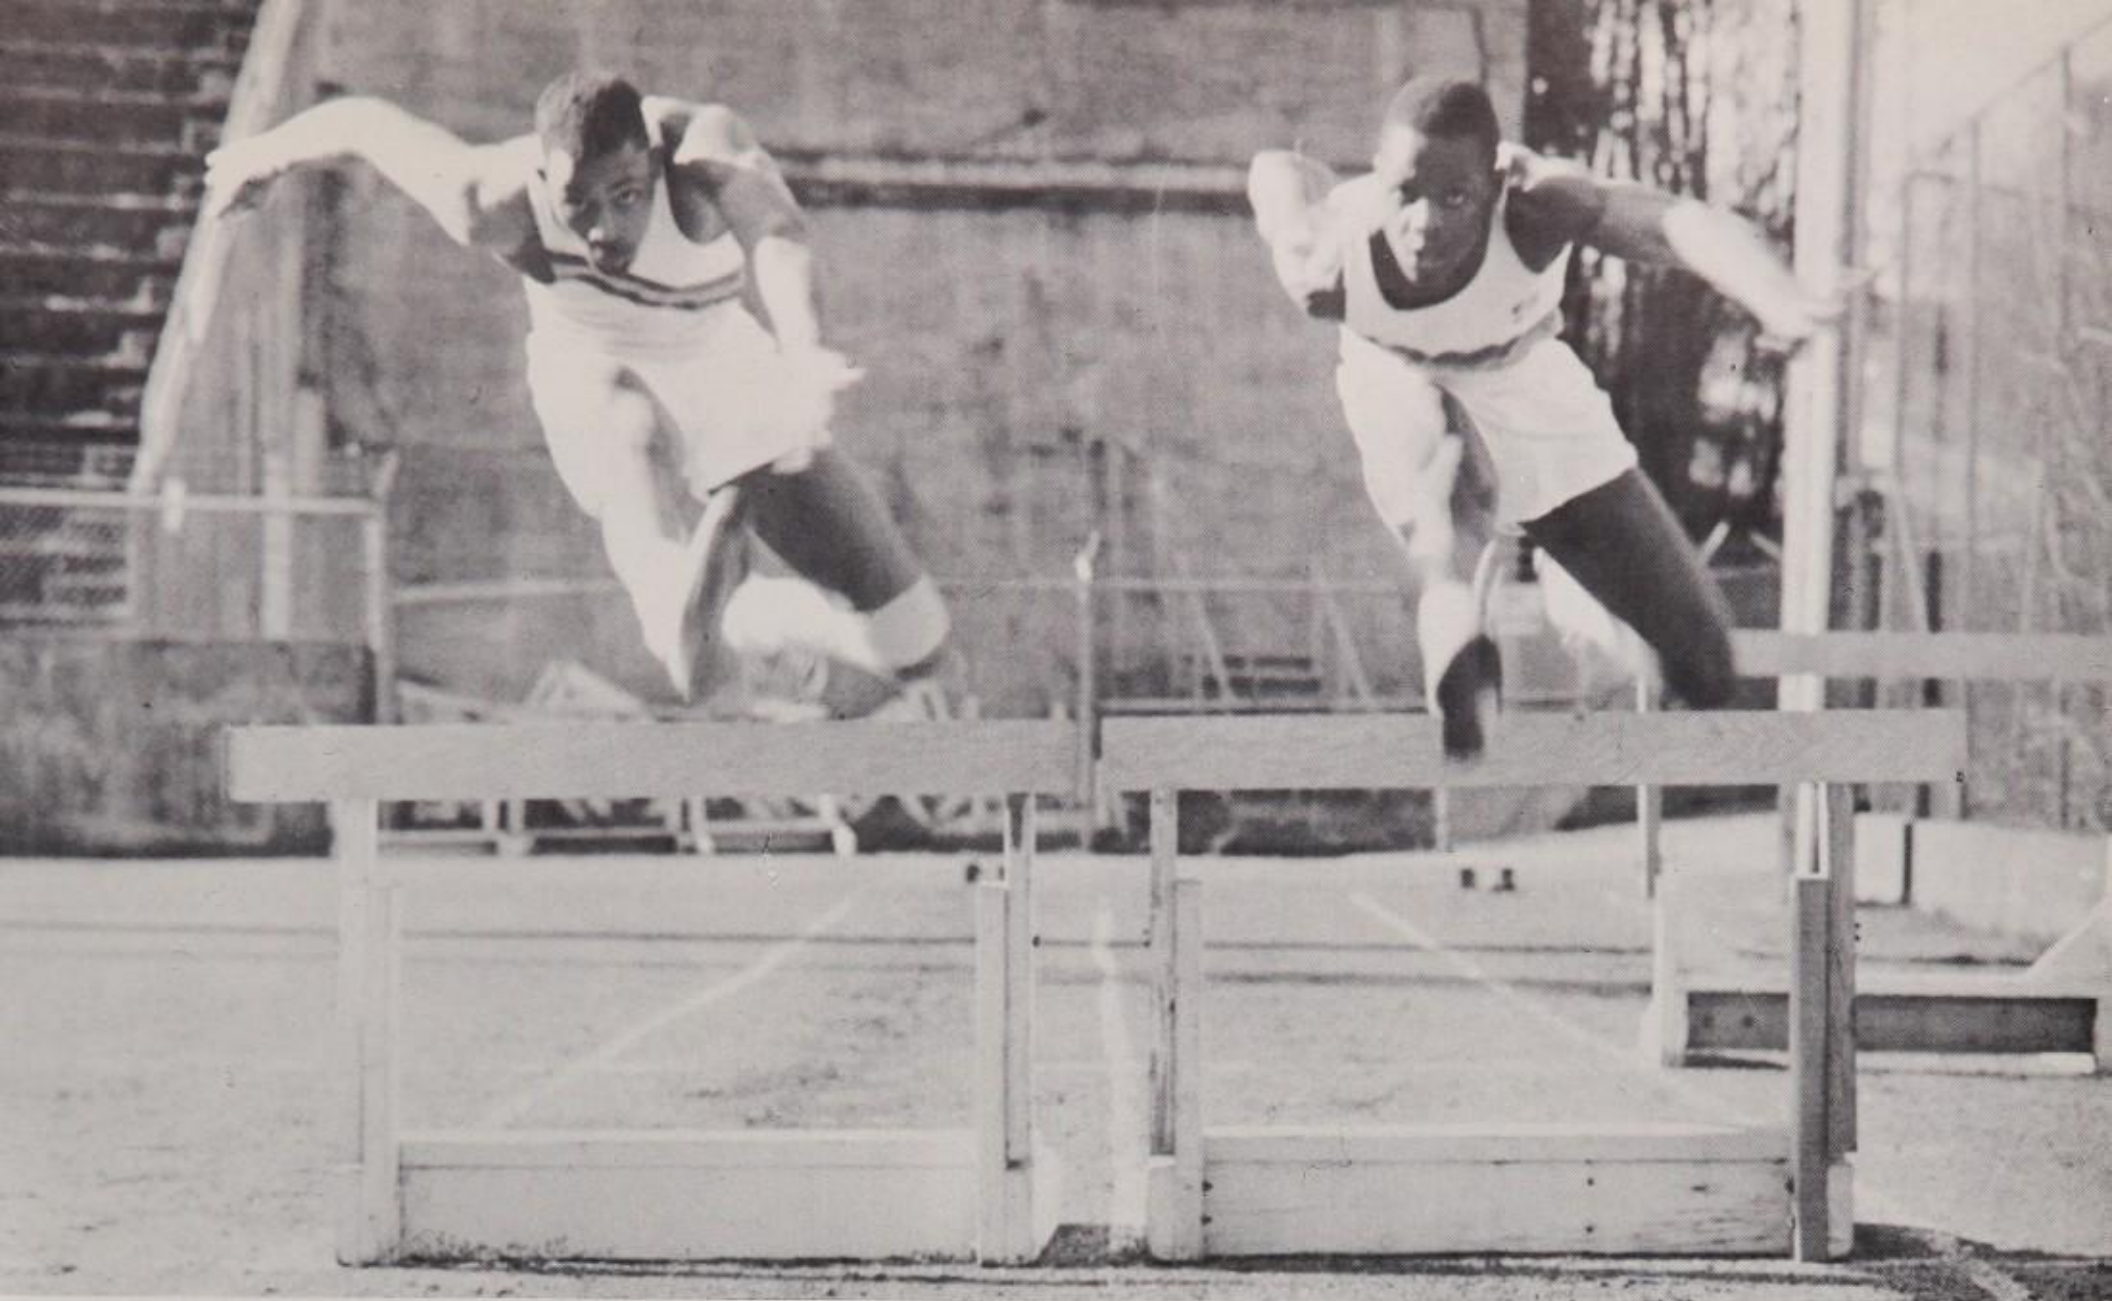

VARSITY TRACK . . . Head coach Mr. Bob Levinson truly turned out one of the most outstanding track teams Stadium has had in his twenty years as head coach of the castle cindermen. With aid from his assistant coach Mr. Dwayne Westlin, the Tigers were well instructed in every phase of each track and field event. Because of this fine instruction and with the outstanding material and effort of the Stadium trackmen, the Tigers were favored to take both the City and Capital League titles again, maintaining Stadium's dominance in track and field.

Besides city and capital league opponents, the track team competed in the Clover Park Invitational and the Daffodil and Highline Relays. Some of the boys responsible for Stadium's success were Ed Miller and Ron Brown in the 880; Tom Hillyard in the high jump; Steve Manos and Nick Perovich in the pole vault; distance runner Bruce Walker; sprinter Howard Draine; Robert Wasp, Fred Lowe, and Jim Collier in the 440; Ellis Cain in the hurdles; and Bob Hunt in the weights. Some promising sophomores were Charles Walters and Clint Bickham in the sprints; and Jim Tyner in the high jump and broad jump.

GOLF TEAM . . . Bottom row: R. Angelus, R. Malanca, P. Guzzo, R. Baker, D. Wepsala. Top row: C. Peterson, J. Triplett, C. Morris, B. O'Reilly, Coach M. DuBois.

**VARSITY GOLF** . . . Facing tough opponents, Varsity Golf Coach Max DuBois led his spirited linksmen to another successfully completed season. The return of three lettermen from last year's squad considerably improved the Tigers chances for gaining another City and Capitol League title.

After determining the members of the squad by qualifying rounds, the golfers practiced diligently for their matches, which were held on every Friday from April 15 to May 20. Matches were played throughout the city but practices were held on the home course at the Allenmore Golf Club. This year, due to the fact that the Tigers played a spring schedule and out-of-league schools played a fall schedule, only City and Capitol League teams were matched.

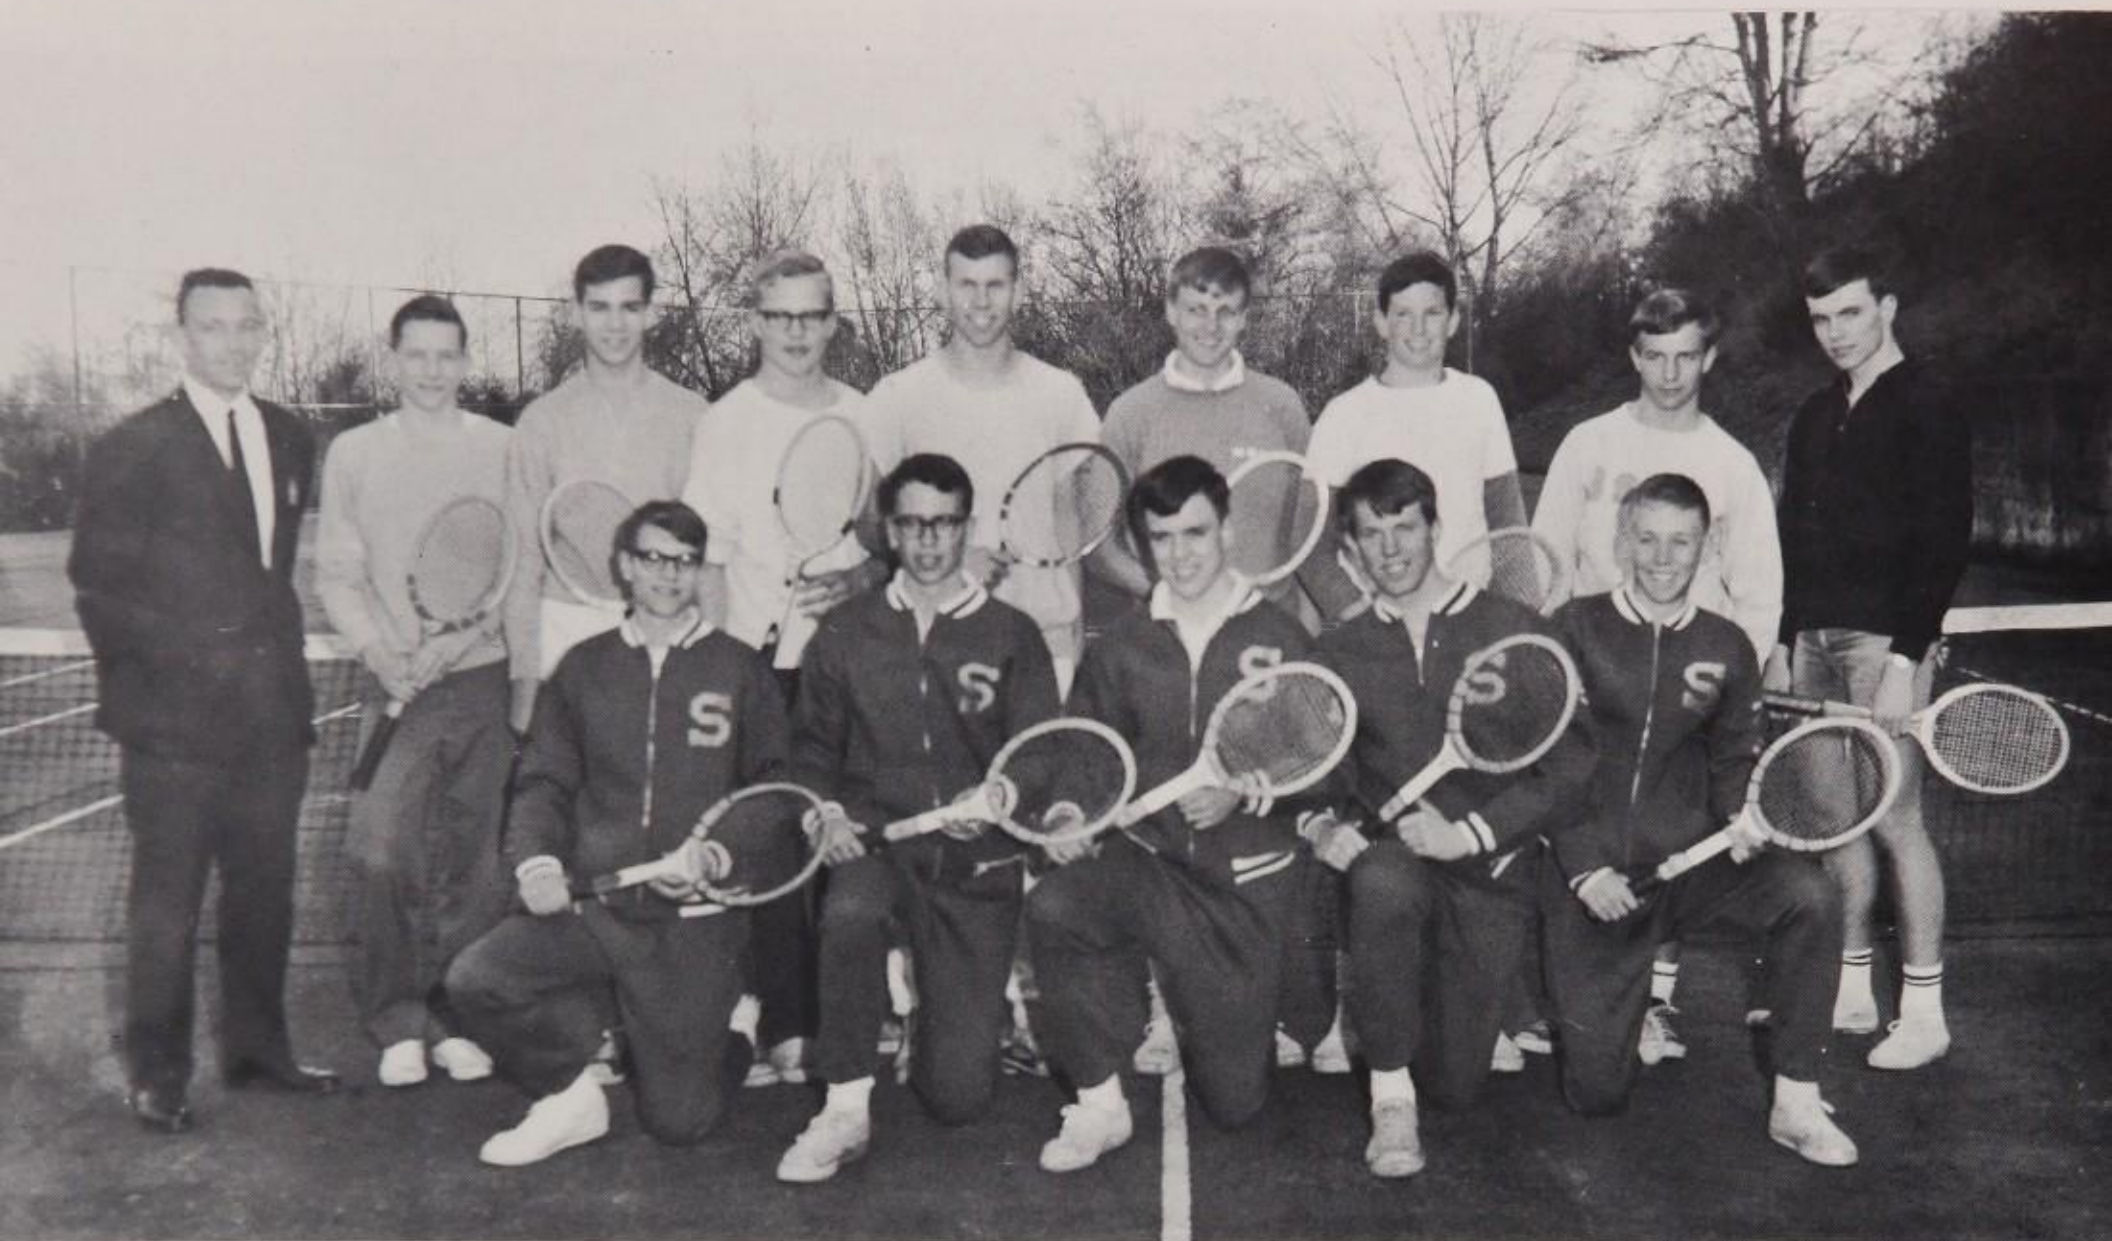

Stroking from the tee to green with extreme accuracy and placement were third year lettermen Chuck Morris and second year letterman Pete Guzzo and Bob O'Reily, with backing from Rick Angeles, Ralph Baker, Randy Malanca, and Doug Wepsala. With such experience, success was assured.

# Five lettermen return to tennis squad; Aim to keep Stadium top power in State

TENNIS TEAM . . . Bottom row: T. Peterson, B. Walker, P. Larson, J. Loomis, J. Sutherland. Top row: Mr. Malyon, D. Roderick, L. Stern, G. Frederickson, S. Ekberg, L. Larson, J. Rowlands, S. Hodges, J. Olson.

Stadium's top doubles team, John Loomis (right) and Blaine Walker, provide winning combination.

VARSITY TENNIS . . . With five lettermen returning to the tennis team this year, the Tiger netmen were good picks to win their fourth straight City and Capital League championships. The newest addition to the tennis team was the coach, Mr. James Monroe. He started turnouts early in March in order to get a good look at the fine crop of reserves turning out, trying to make the varsity.

Aside from meeting all of the city and capital league teams, the varsity tennis team had matches with such schools as Seattle Prep, East Bremerton, Everett, Samamish, and Charles Wright.

Stadium's success this year was due largely to the great number of returning lettermen. Seniors Blaine Walker and John Loomis, one of last year's top doubles teams, and juniors Tom Peterson, Paul Larson and Jim Sutherland all returned to battle each other for positions. Help was also added by junior Loren Stern and sophomores Larry Larson and John Rowlands.

Behind the very powerful varsity team, Stadium had an excellent reserve team. These boys had their own matches with other city league schools.

# Cross Country team gains recognition; Takes first place in Capital League

CROSS COUNTRY . . . Bottom row: Steve Manos, Ed Miller, Lavelle Whitten, Lynn Skuza, Bill Seyler, Bruce Walker. Top row; Jack Casselberry, Tom Rooks, Chris Turner, Steve Jernstrom, Coach Dwayne Westlin.

CROSS COUNTRY . . . A sport that gained new recognition at Stadium this year was cross country. Under the fine coaching of Mr. Dwayne Westlin, the cross country team compiled a fine record of five wins and two losses. The home meets against Wilson, Lincoln, West Bremerton, and Mount Tahoma were run around Wright's Park on Tuesday and Thursday afternoons. Along with their fine season record, the cross country team won the first annual Capitol League Cross Country Championship. The Tigers finished with thirty-five points, fourteen fewer than second place Wilson in the low-score-wins competition. Steve Manos placed second, Ed Miller third, Bill Segler seventh, Bruce Walker eighth, and Lynn Skuza fifteenth out of a field of thirty-five runners. The squad concluded the season by finishing twelfth in the state meet in Seattle.

This year school records were set for the 2 and 3/10 mile. Steve Manos set the senior record with a time of 11:57. Junior Bill Seyler set a time of 12:14 while Bill Manos set the sophomore record with a time of 12:32.

Mr. Westlin signals the start of another important meet.

**RIFLE TEAM . . .** Stadium rifle team placed high in the Evergreen Rifle League again this year. In 1965 our shooters took second place; this year the team tied for third place among the ten participating schools.

The first practice turnout was in September with the team practicing regularly throughout the year, although the first of the five league matches was not until January. For each match, of the eight members of the team who were shooting only the top five scores were counted. In the four shooting positions, prone, kneeling, sitting, and standing, each shooter got five shots for a total of twenty. The maximum number of total points was set at two hundred, or ten points for each shot.

The team performed well under the fine coaching of Mr. Bud Cairns. Some of the outstanding shooters for the Tigers were captain Len Whitney, a three year letterman, Bob Anderson, John Landree, and Mike Nist. A fine reserve squad also added strength to the team.

**RIFLE TEAM . . .** Bottom row: L. Whitney, M. Nist, B. Anderson, J. Landree. Top row: J. P. Lewis, Mr. Cairns, P. Millage.

## Marksmen zero in for successful season Chessmen defend their title as champs

**CHESS TEAM . . .** Bottom row: D. Grunstein, J. Hughes, D. Jacobs, J. Pickham. Top row: B. Ward, Mr. Jarmon, M. Pattison.

**CHESS TEAM . . .** Deep thought and fine strategy led Stadium's chess team to another fine season where they successfully defended their title in league play. Teams from Kent-Meridian, Auburn, Puyallup, Franklin Pierce, and Lincoln were no match for our fine squad in a long season which was not over until the middle of March.

As hard practice is the main key to victory, the Tiger chessmen started practice at the beginning of the school year and continued their work until the completion of their victorious season. Mr. Ron Jarmon, the chess team coach, instituted a challenge system which set up a ladder with the best chessman on the top. Weekly all members of the team could challenge those above to improve their position on the ladder.

The team's success rested with the fine play and persistent practice turned in by all the members of the chess team. Some of the outstanding players were Dave Grunstein, John Hughes, Don Jacobs, Jack Pickham, Bill Ward, and Mike Pattison.

## Competent students gymnasts cavort with incoming sophs in gymnastics

BOYS' GYM LEADERS . . . Last spring, prior to subject selections for the next fall, boys interested in being student leaders made applications. This was open to juniors and seniors, and one credit was awarded per semester. Generally, boys applying were well skilled in the various activities and had a general knowledge of all sports. It was also required of the applicants that they had at least a 2.0 grade point average.

After the applications had been received, Mr. Medak and Mr. Borell, the boys' gym teachers, screened the applicants and made the final selections based on the individual boy's ability, their grades, and leadership potential. Throughout the year six boys per period were used, about half of the boys being juniors. This way Mr. Medak and Mr. Borell are hopeful that at least half of the boys will return next year.

GIRLS' GYM LEADERS . . . Providing a helping hand to the smooth functioning of girls gym classes were the able girls' gym leaders. Both Miss Minton and Mrs. Williams chose three girls for each of the five daily periods. The girls were chosen on their athletic abilities in many different sports as well as their citizenship. A key part of the selection was based on the girls' dependability, conscientiousness, sportsmanship, and cooperative ability with others. Although the gym leaders' duties were many and varied, their one main job was assisting the sophomores in learning the athletic skills. Checking roll and showers as well as maintaining discipline were other duties of the gym leaders.

GIRLS' GYM LEADERS . . . Bottom row: D. Dorsey, H. Morgan, M. King, L. Brenzel, B. Kerny, D. Waagan, B. Varnum, L. Cashman, D. Johnson. Top row: C. McNabb, J. Grazini, D. Wolford, G. Peters, K. Dahl, C. Burrell, N. McConnell, D. Vestal.

**TOM MEDAK**  
Athletic Director

**ATHLETIC DEPARTMENT . . .** Running Stadium's athletic department, Mr. Tom Medak, in his first year as athletic director, undertook an immense task. It was his job to keep Stadium players supplied with good, safe equipment as well as preparing schedules and sporting events many months in advance. Under Mr. Medak was his fine staff of hard working athletic managers. Their jobs consisted of not only keeping the equipment in constant repair and supplying towels and uniforms for all players, but keeping the field in shape during the week. The head manager was Perry Newell, and his assistants were Terry Steuby, Al LeSage and Bill Rose. These boys deserve a great deal of credit for their efficient organization and outstanding sports program.

Also in the athletic department were the statisticians. They helped the coaches determine outstanding players for individual sports and also kept track of all intricate moves executed during each sporting event. Mike Hakola was the football statistician and Guy Shipley and Steve Seick were the basketball statisticians.

**EVERETT BEDFORD**  
Trainer

**TRAINERS . . .** The immense job of keeping Stadium's many athletes in top physical condition throughout the long season was the responsibility of Mr. Everett Bedford. Throughout the year he did an excellent job of taking care of injuries as well as trying to prevent them from happening. Mr. Bedford spent most of his time at the daily practices checking and taping up the boys participating in Stadium athletics.

Aiding Mr. Bedford this year were two very able student trainers, Mike Saunders and Dan Tibbs. These two boys had daily duties which consisted of taping ankles and wrists, applying antiseptics, and executing well-appreciated rub-downs as well as preparing for any emergency during games.

The Tiger team's success throughout the year was due, in part, to the fine job Mr. Bedford and his assistants did in keeping Stadium athletes in top physical condition. Sincerest congratulations to the splendid, hard-working group!

# Big 'S' trademarks Support, Spirit, Sports

OFFICERS . . . Bottom row: R. Keely, R. Sitts. Top row: J. Verone, W. Hoff.

BIG S . . . The athletic honor club, Big S, open to all boys who have earned a varsity letter, completed another very successful year. Meeting every Wednesday morning before school, the boys wore their white or navy blue letterman sweaters the rest of the day.

Under the leadership of president Rick Keely and his cabinet, consisting of vice president Ron Sitts, secretary-treasurer Joe Verone and sergeant-at-arms Wayne Hoff, the club co-organized the Howdy Dance and then sponsored their own dance in December. The Big S-Faculty basketball game was the highlight of the club's year.

In honor of Mike Irwin, Stadium graduate and outstanding athlete, who died the summer of 1965, Big S started a memorial fund. This scholarship will go to a boy who is an outstanding athlete and scholar.

# Girls splash to synchronized success

ROYAL FINS . . . Stadium's synchronized swimming group, Royal Fins, is a girls' water ballet group. Admittance requires knowledge of various synchronized swimming stunts which are tested during the tryouts beginning in the fall. This year Royal Fins was a sixth period class which made practice for their two performances much more convenient.

The twenty-six members under president Barbara Kelly, secretary-treasurer Caroline Hathaway, and Miss Minton, the advisor, performed first at the Senior Carnival in February with "Night Life." They performed again in their annual Water Show, held March 24 and 25, centered around the theme "Tops in Television."

This year the Royal Fin official emblem, a triangular frame enclosing a very attractive winking dolphin, was adopted.

# Stadiana girls are good "sports";

OFFICERS . . . D. Freberg, B. Bloom, F. Bruzas, and B. Brewitt.

STADIANA . . . Stadium's Girls' Athletic Association, more popularly known as Stadiana, did a wonderful job this year giving girls a chance to participate in a variety of sports, besides promoting sportsmanship throughout the school.

In addition to its yearly duty of punching activity tickets at football and basketball games, Stadiana had a well rounded program of activities in which the members could partake. The annual sweatshirt sale was the starting point for a very busy year. In December, a bake sale was held as a fund raising project. Supporting Stadium at the Hoop-Go-Round, Stadiana sponsored the big booster ribbon sale.

Throughout the year Stadiana promoted such sports as speedball, basketball, volleyball, and a bowling league. For hobby points Stadiana sponsored plunges and hikes. Thanks to the fine leadership of Stadiana president Barbara Bloom and her cabinet of Donna Freberg, Barbara Brewitt and Fran Bruzas, and advisor Miss Minton, Stadiana enjoyed another successful year.

STADIANA . . . Bottom row: D. Freberg, B. Bloom, B. Brewitt, F. Bruzas. Second row: J. Strom, J. Ketchinson, J. Florence, A. Pound, B. Kelly, S. Deming, M. Johnson, C. Schuur, M. Hopping, J. Nysen. ## Student Council brings Stadium a new outlook

STUDENT COUNCIL . . . Starting the year with the activity ticket sale, Student Council led the Student Body in defeating Wilson and earning the right to crown our Queen at the Queen's Crown Dance. The main project of the year was to pay off the debt on the Band Uniforms. Enthusiasm for this was spread by U. S. Day, where roll rooms contributed money to the fund. The Christmas Card sale where students sold cards throughout the city also provided profits for the band fund.

Homecoming was next and activities for the alumni included a torchlight parade, tea, and dance. With the batman rage this year, Student Council had a bat-cave

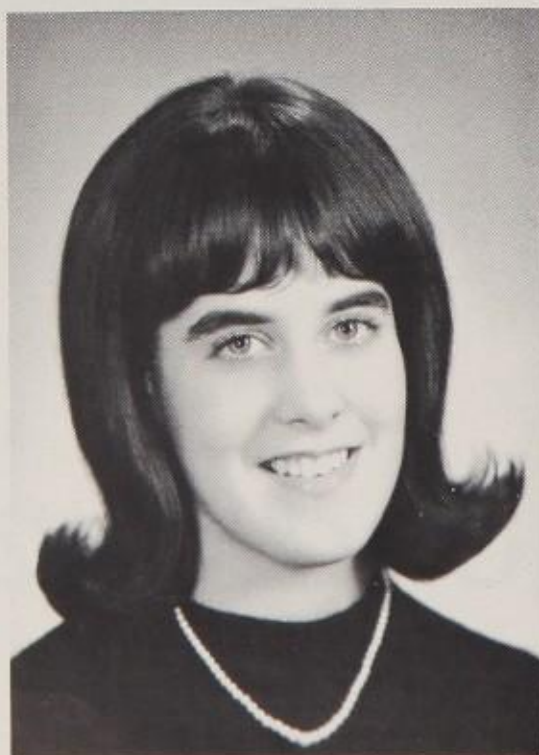

at the Senior Carnival and gave "bat-bars" for prizes.

An extra project was working towards the purchase of a new outside sign. A special money-raising week was designated to "L. S. B. W."—Large Sign Buying Week. A city-wide Bonanza Breakfast was held in April as a money-raising project for the new sign.

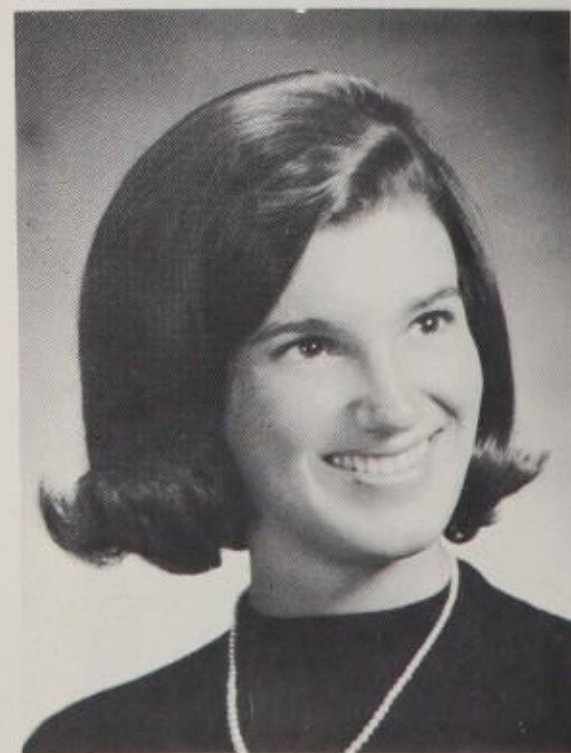

Through the hard work and cooperation of the Student Body, Student Council not only helped pay off the band uniform debt but achieved its goal of service and leadership. Mr. Chopp was the new advisor this year and aided Student Council in planning the year.

**JUNIOR CLASS . . .** Being the "middle" class this year, the Junior Class strove to prove its high spirit and enthusiasm through its many activities. The officers held meetings during their Student Council Class to "get the ball rolling." The first event of the year was the Bake Sale under the direction of co-chairmen, Barbara Guzzo and Donna Dorsey. With the arrival of December and the Christmas season, co-chairmen Jeff Hayward and Carrie Sharp planned a candy cane sale, which proved to be a big success. Selling approximately 2000 candy canes, their profits soared to nearly \$75.

Co-chairmen Janet Nelson and Jim Salatino chose a French theme "Les Fleurs de Printemps," carrying it out with colorful flowers. The end of the year was completed with the "Farewell to Seniors Dance" with co-chairmen Laurie Powell and Jon Nakagawara. This dance was held as a salute to the graduating Seniors, who were invited to the dance free of charge. After a successful year of activities and enthusiasm, the class of '67 looked forward to next year as "mighty Seniors" in the Brown Castle.

SOPHOMORE CLASS . . . With the election of officers at the beginning of the year, the "Stadium Sophs" embarked on their first year here at the Brown Castle. First in the line of action was the Sophomore Class Label Sale where they succeeded in surpassing the goals achieved by previous Sophomore classes in this money-making project. Next in line was their Mush Throw Booth in

the Senior Class Carnival which was very successful. To add funds to their treasury they sponsored a Bake Sale in March. Bringing the Class' year to a close was their Spring Dance held in April. With spirit and experience gained, the Class of 1968 looked forward with enthusiasm to their future years at Stadium.

## Treasury added to House of Representatives

HOUSE OF REPRESENTATIVES . . . The job of the House of Representatives was to work in conjunction with the Student Council in coordinating activities and passing bills. This organization is comprised of student representatives from the roll rooms and club presidents, giving the students a chance to voice their opinions in the student government. Meetings were called once a month or when there was urgent business that needed to be voted on. Presiding over the meetings were Bob Hunt, chairman, Rocky Champagne, Linda Robblee, Rick Keely, and Rick Boudreau. This year was the first year the House had a treasury. Plans were made to help Student Council raise money during the Outside Sign Week.

Chairman Bob Hunt and House advisor Mr. Buffalo discuss meeting procedure.

# Peppy people promote Tiger team victories

PEP CLUB . . . Arousing school spirit and supporting athletic events are Pep Club's main functions throughout the year. Both goals were achieved this year through the active leadership of Patti Wernick, President; Tom Mack, Vice President; Mike Hakola, Treasurer; Michele Vizzard, Secretary, and Beverly Drummer, Representative. Also membership tripled that of any previous year. The year got off to a successful start with the football dance "Tiger-T-Bird Hoedown," co-chairmen Julie Nysen and John Triplett. To "boost" school spirit penants, pom poms, and booster buttons were sold by members to be used at games. Also rooter buses were provided to help bring enthusiastic cheerers to games away from Stadium. Athletic events were publicized by the many signs posted throughout the halls. Something new was incorporated into the pep assemblies this year with the presentation of a "pep jug" to the winning class in the competition yell. Pep Club also presented skits and other entertainment during the assemblies.

Stadium's school spirit was immensely heightened by this year's Pep Club and thus upheld its past record of being most enthusiastic in the city.

The four departments—Social, Service, Welfare, and Fellowship each have specific duties; yet all co-operate together on the many major projects.

To begin the year the Big-Little Sister Picnic was held in September at Point Defiance. Then to help the new Sophomores get further acquainted the Big-Little Sister Assembly and Breakfast were held the first week of school. Next in line for the year's events was the All-Department Potluck, "Chuck Wagon". Closely following was the Big Show, "Behind the Castle Curtain," which was a roundup

of Stadium talent. Girls' Club held a special assembly which was a panel discussion on manners and dress, besides the annual Easter and Memorial Assemblies. As a service to the community, they held Christmas and Easter Drives. To honor Fathers' and Mothers' the Father-Daughter Banquet and the Mother-Daughter Tea were held. The coming of Spring brought the highlight of the year, Tolo week and the Tolo. Each day of this week held something special and was summed up with the Tolo on the last day.

With the Installation of new officers and the President's farewell in a traditional ceremony, the club's prosperous year came to a close.

TRIPLE S . . . Triple S began the year with its successful Howdy Assembly and Dance to welcome the new sophomores. Then enthusiastic girls who earned points through service to the school were initiated into the club at the traditional ceremony held in October and again in February. Gisela Meier, our exchange student, was chosen as this year's honorary member. As an annual money-raising project members sold football and basketball programs at all home games. Corsages in our school colors were sold at the Turkey Day Game. Christmas Season was brightened when the club erected and decorated a

fir tree in the front hall. Also, decorative red and green hair ribbons were sold to the girls.

Success was the worthwhile result for this year's effort put forth by the members of Stadium's Supporting Spirit. Led by Carol Collins, President, Marion Hopping, Vice President, Sara Day, Secretary, and Barbara Bloom, Treasurer, the club upheld its high standards of leadership, service, and school spirit. With the presentation of a scholarship to an outstanding senior member, SSS closed a most rewarding and satisfying year.

## Honor Society stresses closer Faculty-Student relationship

HONOR SOCIETY . . . Striving for a goal of scholarship, honor, and leadership, Honor Society stressed a program of cultural and intellectual activities.

Students could gain membership by obtaining a 3.2 grade point average and attending the meetings after a formal invitation. The officers, President Donna Freberg, Vice President Sheri Smith, Secretary Maureen Dightman, and Treasurer John Olson, planned a year to benefit the club members. They began the year with a Teacher's Recognition Day during National Education Week. For a money-making project they operated the laminator which plastic coated student activity cards.

The Club's year included many projects, such as a slumber party, Senior Banquet, and a World Fellowship to raise money for YWCA's all over the world. Also a carnival for the Fellowship fund was held, in which the clubs throughout the city had gay booths. Various speakers visited and discussed interesting topics. They had representatives from Alcoholic's Anonymous, a Beauty School, and speakers on good grooming and posture. Highlighting its year was the Sahasa Tolo, "Grecian Mist," introducing their lovely Royalty.

Money earned through the different projects during the year went to several good causes. Part of this fund helped toward a scholarship presented to a Senior member at the end of the year.

CASTLE RETAILERS . . . Concentrating on the skills of the business world, the Castle Retailers spent the year studying advertising procedures, cooperative tactics with employers and distributive techniques. The members were divided into different committees such as Speaker, Field Trip, Social, and Ways and Means, in order to plan the year's activities. Field trips were taken to National Cash Register and the Bank of California and speakers came from the Telephone Company, the Vocational School and others. The Ways and Means Committee held a metal Social Security Card and Identification plate sale as a money-making project. For Social activities the Castle Retailers held a breakfast at Scotty's Restaurant in September. The club also had a Distributive Education Exchange with Lincoln High School and sponsored the Homecoming Tea. These many activities provided a valuable year for all members.

RIFLE CLUB . . . Bang! Bang! Ka Pow! No, not a batman show—only another of the twice-weekly turnouts of the Stadium Rifle Club. Stadium shooters have held their breath and squeezed triggers thousands of times this year and riddled hundreds of targets in their efforts to continually improve their marksmanship skill. Under the instruction of their rifle coach, Mr. Bud Cairns, the club members have practiced the four standard positions — prone, sitting, kneeling, and standing. Competitive matches within the club have determined the top eight shooters who have formed the club's rifle team.

Our fine sharp shooters tied for third place in the Evergreen Rifle League competing against ten other schools. Their individual members have placed high in other league matches and have earned many medals and awards. Len Whitney served as president this year with Bob Anderson acting as vice-president. These competent leaders led the team to another successfully completed season.

AFFILIATION CLUB OFFICERS . . . B. Ferris, Vice President, D. Calloway, Treasurer, I. Lusi, Secretary, and J. Melvin, President.

AFFILIATION CLUB . . . Furthering the exchange program and promoting international understanding are the purposes of Stadium's Affiliation Club. This goal was achieved by sending and receiving foreign exchange students. President, Jan Melvin, Vice President, Belinda Ferris, Secretary, Inese Lusi, and Treasurer, Dyanne Calloway, led the club in raising money to send students to Europe. The traditional Stock Sale took place in December as their main money making project. As an additional activity to raise money they held a popcorn sale in February. A "get acquainted party" was held early in the year for all the exchange students in the city. To add to the cultural exchange, various foreign students spoke at meetings throughout the year. A special assembly was held where several exchange students from the city had a panel discussion of their school customs and dress in the countries represented. To complete the year they sent two deserving students abroad, thus achieving their goal of continued exchange.

"Ahhh — this American life of ease?"

EXCHANGE STUDENT . . . One of our Exchange Students this year was Gisela Meier, who came to Stadium from her school, Hoffman-von-FallerSleben-Schule in Braunschweig, Germany. She was chosen for the exchange on scholastic achievement, recommendations of teachers, participation in her Affiliation Club and her desire to learn more about the "American way of life."

She was nicknamed "Gis" by her many classmates and was known for her friendliness. Having been chosen as an honorary member of Girls' Club and Triple S, she enjoyed participating in the many activities of these organizations and proudly wore the uniforms of both clubs. After having attended pep assemblies, football and basketball games, she found these new and exciting to her and she could be seen in the stands cheering enthusiastically with the other students. Also keeping her busy were Affiliation Club, girls sports, a television appearance, and trips to other schools to speak. She also enjoyed making her own clothes and experimenting with American cooking. She attended many Stadium dances and found she enjoyed ballroom dancing to the American rock and roll.

During her year here, "Gis" brought many new ideas to the Brown Castle. Stadiumites hoped that her experiences here will promote international understanding and further the Exchange Program.

## Gisela and Peter, from Germany and New

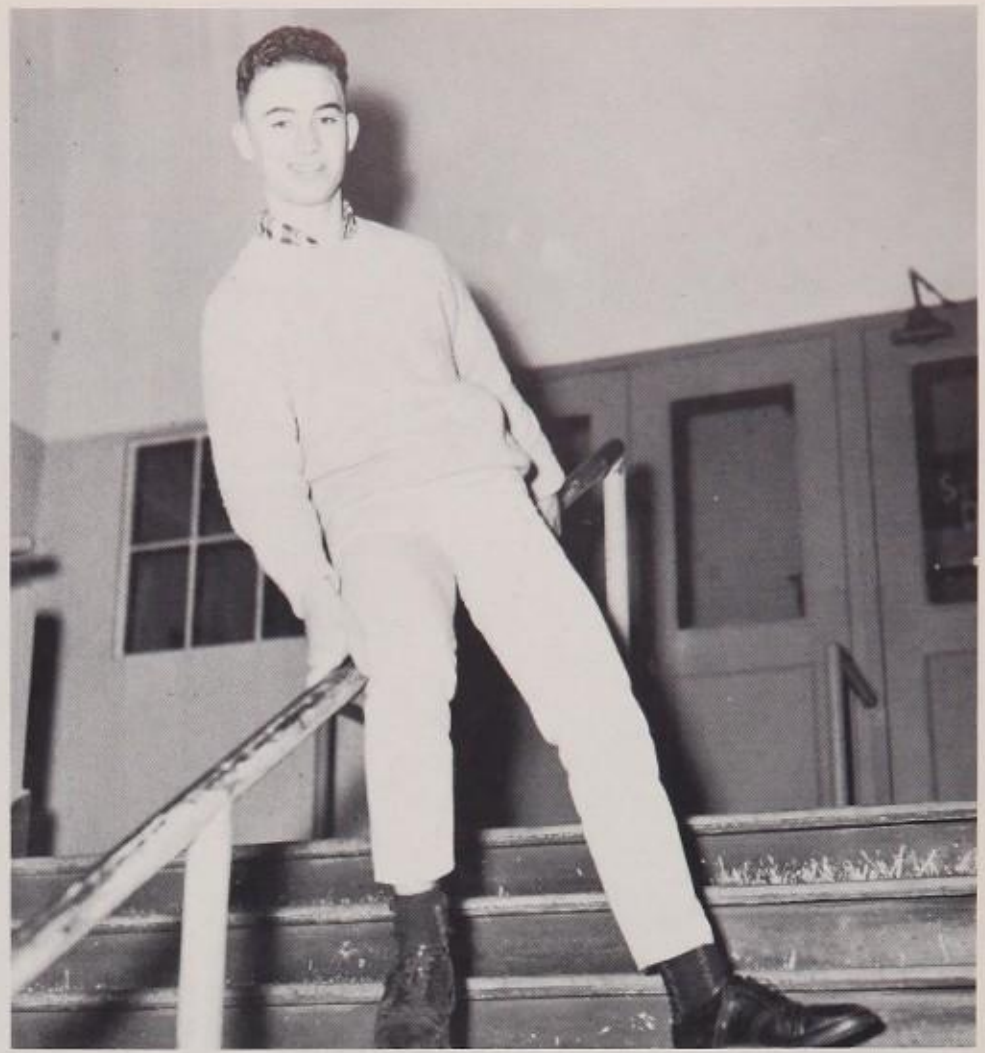

Gisela surrounded by fellow look-alikes in their Girls' Club uniforms.

EXCHANGE STUDENT . . . Peter Edhouse was Stadium's other Exchange Student, who came to us from Rotorua, New Zealand. He was on a private exchange between the Rotorua and Tacoma Rotary Clubs and was chosen through an application and interview. Peter's school was a public boys' school and he said he welcomed the idea of finally coming to a school with girls too.

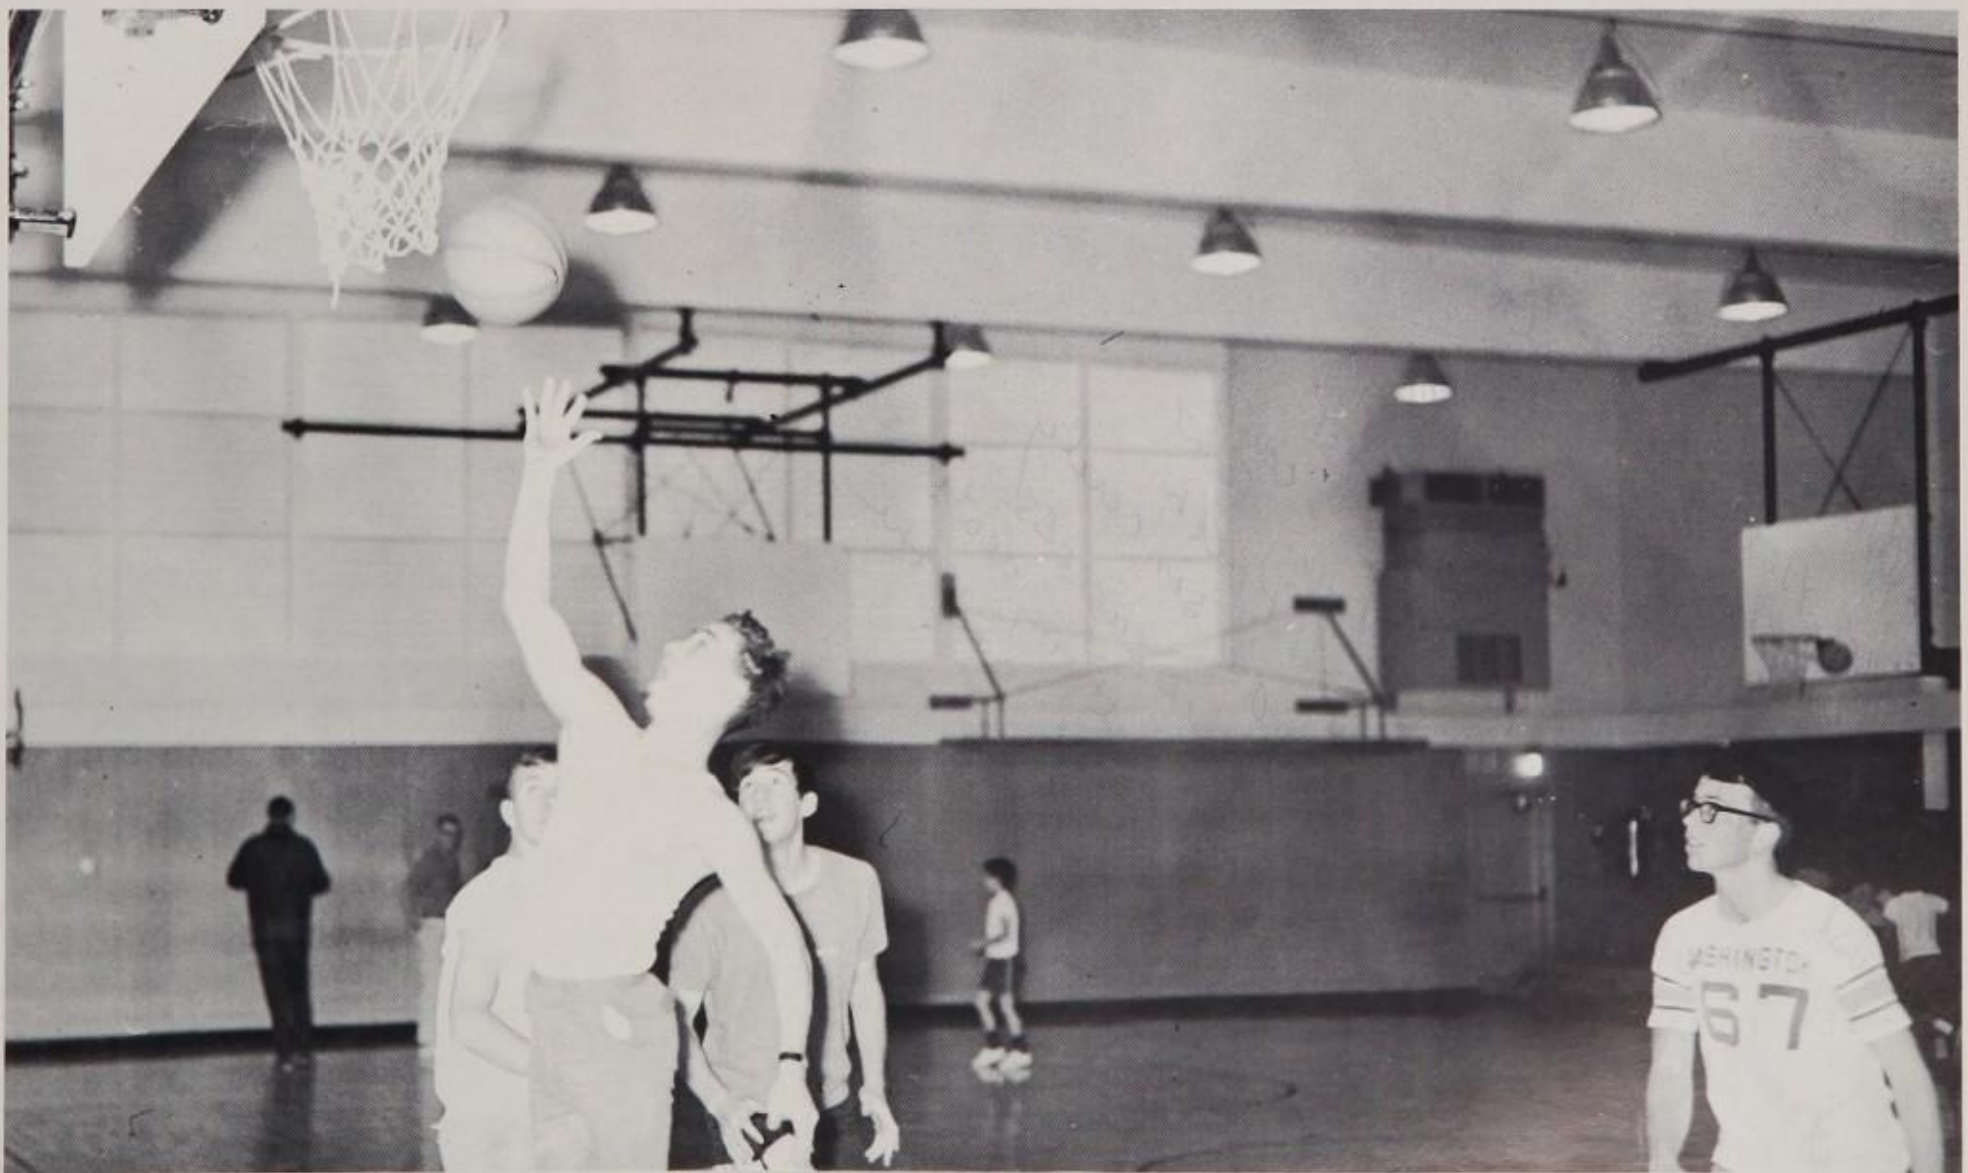

During his year at Stadium, Peter made many new "chums" through his friendly and humorous nature. Since his school did not have clubs for students, he enjoyed participating in the ones at Stadium. He was especially active in the Affiliation Club and did much to promote the annual Stock Sale. All over the world boys are interested in sports and Peter was no exception. In New Zealand he played rugby football, soccer, hockey, and basketball. He also said his favorite hobby was water-skiing. Here he was able to play basketball and do some skiing. Cheering Stadium's teams on to victory was another activity Peter enjoyed.

With the conclusion of his year here, Peter passed on some thoughts to Stadiumites he believed important. One being that foreign exchanges should always be promoted and that his experience in America was an opportunity he wished more foreign students had.

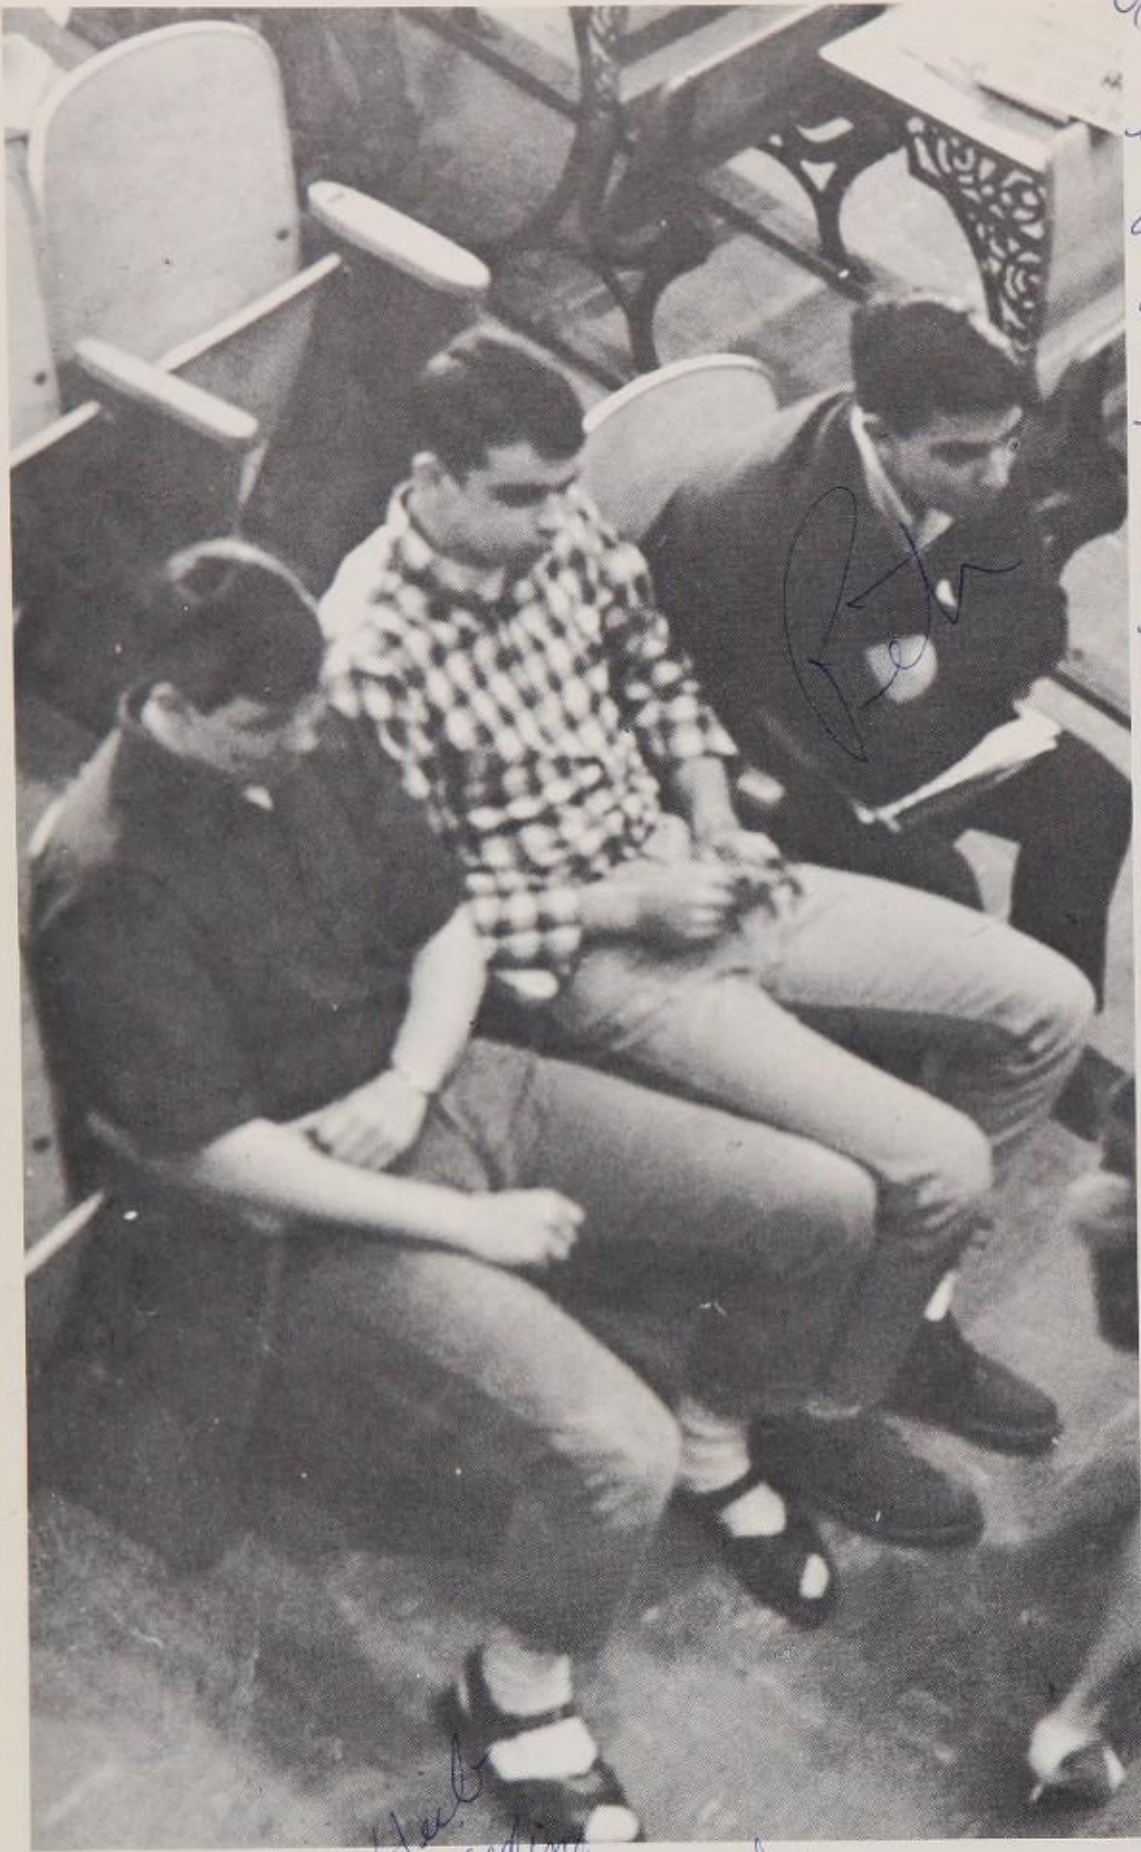

Stadium provides "liberal" education for Peter.

## 1964

Entering Stadium, we were bewildered by the size of the school and the number of students, but we soon became a unified class demonstrating our enthusiasm by successful projects and active participation in school activities.

The annual Howdy Assembly and Dance were held in our honor, acquainting us with the different aspects of life at Stadium. Winning the activity ticket sale contest with Wilson gave Stadium the privilege to crown our Queen at the annual Queen's Crown Dance in the Stadium gym. The Return Address Label sale was an extremely successful money raising project. The class treasury was further supplemented by a car wash and a rummage sale. We sponsored the dance, "Final Fling," to provide a pleasant change from the routine of studying for the entire student body at the end of the first semester. We, the Class of 1966, showed our enthusiasm by actively supporting the Student Council's project to put lights in the Stadium Bowl. Our final project for the year was the annual Sophomore May Dance. As our first year at Stadium ended, we came to realize the meaning of the traditions surrounding the Old Brown Castle.

## 1965

The most exciting event of our Junior year was the dedication of the new lighting system in the Stadium Bowl, followed by the first night football game played in our Bowl in sixteen years. Stadium's main project for the year was the band drive. Proud of Stadium's outstanding band, we held bake sales, car washes and many other projects to add money to the fund for new band uniforms. In one year Stadium raised enough money to purchase the new uniforms.

A highlight of the year was the traditional Junior Prom, "Once Upon A Winter's Night." For the first time, Royalty was chosen to reign over this unforgettable evening. To boost our treasury we held a car wash, the informal "Andy Capp" dance, and a ski trip to Snoqualmie Pass, which was co-sponsored with the Juniors at Wilson. The last big event of the year was the annual Farewell to Seniors dance, "The Party Is Over," which we presented in honor of the graduating seniors. With our Junior year at a close we began looking forward to the events our Senior year would bring.

# Officers begin year

SENIOR CLASS . . . After a successful Sophomore and Junior year, the class of 1966 started another exciting year under the leadership of Jim Josey, president and his cabinet. First on the program for the new officers was the selection of co-chairmen for the planned activities.

The first activity of the year was the annual Barn Dance, "Haymaker's Holiday," planned by co-chairmen Carol Collins and Steve Ekberg. Next was the successful doughnut sale which added much needed funds to our treasury. In charge of planning the Homecoming Week were John Loomis and Bob Hunt. This week was highlighted by a torchlight parade and the coronation of Queen Cindy Schuur at the dance, "Castle Comeback."

February brought the Senior Carnival, "Mardi Gras," planned by co-chairmen Barbara Kelly and Mike Hakola. With the various clubs showing imagination in their ideas for carnival booths, one could participate in a mush throw,

With Spring came activities associated with graduation. Sara Day and Steve Saville planned the Senior Assembly for April 26 with the theme "Seniors Bequeath," giving all graduating seniors the opportunity to display their talent. The Senior Banquet was held on May 26 under the planning of Marilyn Trent and Rick Dupuis. May 14 was the date set by Jennie Minnitti and Greg Yuckert for the Senior Ball. The theme "Sophistication" was carried out in the decorations of the Bayview Room of the Winthrop Hotel. The highlight of our senior year was graduation day, when we received our diplomas at the commencement exercises held at U.P.S. Field House on June 7. Following graduation we partook in our final activity, the Senior All-Night Party planned by Lynne Walter and Stuart Allen. We departed from Stadium feeling both happiness and regret.

## Top Twenty is led

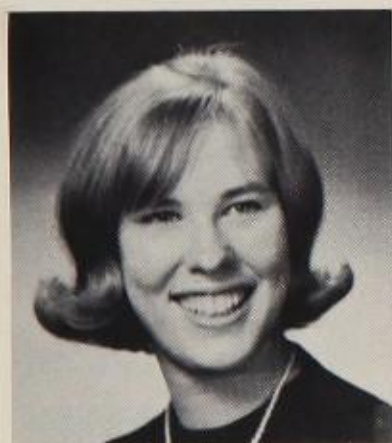

TOP TWENTY . . . These twenty students earned the highest accumulative grade point averages of the five hundred students who compose the Class of 1966. The final Top Twenty rating was determined by the third quarter grades. The competition for this honor was keen, especially during the senior year. The highest accumulative grade was 4.0, which was earned by two students.

THE HALL OF FAME . . . Receiving recognition for their particularly outstanding qualities were these eighteen seniors who were elected to the Hall of Fame by the Senior Class. In February the class of 1966 carefully selected the seniors they felt should be honored for their abilities or their participation in activities.

The Girl and Boy of the Year were selected on the basis of school spirit, leadership, service to the school and the

community, scholastic achievements, citizenship, and participation in school activities. The other sixteen seniors were selected with the same care and thought; each was a deserving addition to the Hall of Fame.

These students were admired and respected for their outstanding qualities. Their participation in school activities was the moving force behind our class and they made a lasting contribution to our life at Stadium.

Andrea,  
well since you wrote  
in the trees I guess I  
will also. I got a lot of good  
memories of our stadium days. You're  
a very sweet person and I'll never  
forget you & all the silly things  
we did. Remember struggling through  
Quigley's class? How could you  
forget? Maybe I'll see you sometime  
during the summer - if not I still want  
to wish you the best of luck always.

Love,  
Tom (Peterson)

*Andrea,  
 I've lost your hair  
 from a lot of fun,  
 but it has come by  
 to find. Hope to see  
 you again Steve Hanson*

*Andrea,  
 If nothing else,  
 always remember me.  
 Rocky*

*Andrea—  
 It's nice to know there  
 are people like you around  
 It gives me a comfortable  
 feeling, sort of. I'm  
 always going to remember  
 Stadium by people like  
 you, because I always  
 want to remember it  
 in a good light, and  
 friends like you are  
 the best.  
 Sincerely,  
 Andy Levesque*

*ANDREA,*

*ACE DART CHAMPION  
 I'm REALLY glad I  
 got to know you  
 This year (3 whole  
 days)  
 I'm expecting have fun  
 This summer  
 The 5th yr  
 Next year maybe*

*Andrea—  
 I want thank you for  
 the picture you gave me.  
 You've been real good about that.  
 Its really been fun through  
 these years. I could say more but  
 instead I just say that I'm  
 to see you this summer  
 Love  
 Bob O'Reilly Nick*

ANDREA,

Knowing you has been both fun and a pleasure. I can remember quite a few things now that I think of them. To me, you have gained a lot of respect in all aspects. Can you remember us History and Civics. Boy did I give Miss Lawrence a bad time. I liked her so much. She surely brightened up that class along with your and Cindy's sudden outbursts out of nowhere. I won't forget your senior picture, just watch and see. Let me repeat myself and say once more that I couldn't have asked for a sweeter girl to share a friendship with. Congratulations on you award.

Best of luck always to a sure success. It's been a pleasure.

1966

Sincerely yours,  
Bill Bailey

Andrea,

Well, It's been sort of "all's fair in love and war" this year - who knows maybe that's the way to really get to know someone!!

Well have gay times at the "U" this fall and I'll see you some day!

Bye and  
Good Luck  
Sara

Dear Andrea,  
The year has brought many friendships that I would not have gotten otherwise. Going with Bill has gotten me back in with my class mates. You have really been a buddy and I will not forget your friendship. On Tuesday will be our last day with any association with the school. I'll see you at Home Coming if not at Summer. Bye for now.

Love, friend  
always  
James (BROWNIE)  
(65-66)

What a year - Yea G.C. - Yea so many times I came to you for a shoulder & you were always there. Now I begin to look back & think what a fool I was. I couldn't of concerned me of what then for anything. But I'm learning so many things I have with you I can't start to say what I want but I think you understand. Best of luck esp. at the "U", always Bill

Andrea,

(I had to look at)

IGNORE  
THE PREVIOUS

I'm sorry I didn't have any classes with you this year, (you can't call civics a class!) But I did get to know you and I'm glad of that. I had luck at the "U" and see you later.

June 6, 1966

Dear Andrea,

I can hardly put into words what I'd like to write to you. I guess that a lot of it will just remain understood. I remember practically the first time we ever did anything together was when you just came over to my house that summer before 10<sup>th</sup> grade. I didn't even know you. But look what happened! Since that day, 4 yrs. ago, we have done just about everything that is possible for two friends like us to do. We've gone to movies, to the ocean, to St. Defiance to play tennis, swimming, bicycle riding and to so many school activities. I can truly say that my friendship with you has meant more to me these past few weeks than ever before. I suppose that's partly because I'm so much older than when I first met you and partly because I'd like to feel that I have something to hang on to next year - once I leave my home to go to college I know that I'm going to lose something I'll never have back and that's why I want to know that you'll still be my very best friend. At least we know that by going to the 'U we'll have a lot more time to spend together.

Considering all the things we've done together just this year - the S.C. Solo, dinner at my house with Greg & Carston, Vicki Benfield's party, drive-in movies & all the rest, we're sure to have an even better time next year. I can't begin to imagine all the things we'll do together - it's going to be such a blast.

Hi Andrea, how are ya even? What do you know for sure? huh well nothin, just as I thought your a real brain. Just kidding of course Andrea your a real brainy kid, especially in English. That's the only way to be, much better than a dumb "C" student like me. Well and after all these years we're finally going to graduate. I'll be kinda strange becoming dissattached from Stadium.

Your a great dancer and we've had many good times at the Stadium dances, they sure have been lots of fun and I will remember them for a long time. You've been the kinda inspiration a person needs, the type of person more friend that one must be able to greet and smile at, for without those relationships life would be dull. You've been that kind of a friend. Just the best of luck to you Andrea

ALL WORLD TROMBONE a good friend always

(continued from previous page)

We still have the all-night party to look forward to. Let's hope that in about 3 days when you're reading this preceding sentence over again you will say to me - "What a blast!" - and I'm sure that you will.

Before I bid adieu <sup>(sounds corny)</sup> I just want to say one more time that I've greatly appreciated your friendship (you've always been around when I needed - I mean really needed you). You know better than any person alive what makes me the way I am. Now I'm beginning to get sickening and beginning to say too much so I'd better say good-bye for now.

I wish you all of the luck that is possible for one remarkable person such as you to have. and I hope that college brings you everything you want & deserve. Good-bye for the present. Love always — Amy

Andy, I had to  
we had to  
crazy times too  
and no I'll miss  
very much I want to thank  
you for being such a loyal  
friend I hope you have some  
fun at college and don't ever  
worry in the future.  
from B.P. Hope to see  
you in the good future.

Andrea  
I enjoyed looking at your back  
the two semesters in Alg. Too bad  
I couldn't have given you stiffer  
competition on tests this year. Good  
luck next year at the U. Hope to  
see you around Browns Pt. this  
summer.  
Your Algebra buddy,  
Dave

P.S. I was also fun playing football  
with you this year.
